PART I.—GENERAL INFORMATION

Background.--On July 17, 1986, the Department of Commerce (“Commerce”) issued an antidumping duty order on imports of pistachios from Iran (51 FR 25922). On April 1, 2016, the Commission instituted a review pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)) (the Act) to determine whether revocation of the order would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time.¹ Commerce has already rendered an affirmative determination (81 FR 51857). If the Commission makes an affirmative determination, the order will remain in place. If the Commission makes a negative determination, Commerce will revoke the order. Questionnaires and other information pertinent to this proceeding are available at:

https://usitc.gov/investigations/701731/2016/raw_in_shell_pistachios_iran/second_review_full.htm.

Pistachios covered by the order are raw, in-shell pistachio nuts from which the hulls have been removed, leaving the inner hard shells, and edible meats. This merchandise is currently provided for in subheading 0802.51.00 of the Harmonized Tariff Schedule of the United States (“HTS”). Although the HTS subheading is provided for convenience and customs purposes, the Department's written description of the merchandise under order is dispositive.

Please ensure that your answers to the questions in this questionnaire, except where otherwise specifically indicated, pertain to only raw, in-shell pistachios (hulled/dried, not roasted).

Processor/Dryer.--Any person or firm engaged either directly or through a parent company or subsidiary, in processing/drying pistachio nuts. Processing is defined as performing such services as removing the hull and drying the remaining shell and nutmeats to a moisture content of 4 to 6 percent. **Firms that perform both roasting and processing/drying operations are included in the term “processor/dryer” and should complete the “processors’/dryers” questionnaire with respect to their processing/drying operations. Firms that do not perform processing/drying operations but purchase raw in-shell pistachios (such as firms that roast (final dry), salt, dye, and package pistachio nuts) should not complete the processors’/dryers’ questionnaire but should instead complete the purchasers’ questionnaire.**

Roaster.--Any person or firm, other than a processor/dryer, engaged either directly or through a parent company or subsidiary, in roasting (final drying) pistachio nuts. Roasting is defined as performing such services as roasting (final drying), salting, dyeing, and packaging pistachio nuts. **ROASTERS SHOULD ONLY COMPLETE THE PURCHASERS’ QUESTIONNAIRE.**

Processed weight basis.--Weights determined by the processor/dryer after hulling and drying. Reported quantity data should be reported on a processed weight basis, unless otherwise stated.

¹ On July 1, 2010, prior to Commerce’s initiation of the second review scheduled for December 2010, the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (Pub. L. 111-195) was signed into law. Among its provisions is a general prohibition on imports from Iran (Sec. 103) that became effective on September 29, 2010. This prohibition on imports led Commerce, pursuant to 19 U.S.C. 1675(c)(7), to toll the initiation of the second review of this order. Commerce announced that it would not initiate the second review until two months after the lifting of the prohibition (75 FR 67081, November 1, 2010). On January 21, 2016, the Iranian Transactions and Sanctions Regulations were amended to permit the importation of pistachios from Iran (81 FR 3330). Commerce subsequently included the second review of this order in its list of reviews scheduled for initiation in April 2016 (81 FR 10577, March 1, 2016).

Firm.--An individual proprietorship, partnership, joint venture, association, corporation (including any subsidiary corporation), business trust, cooperative, trustee in bankruptcy, or receiver under decree of any court.

Related firm.--A firm that your firm solely or jointly owned, managed, or otherwise controlled; a firm that solely or jointly owned, managed, or otherwise controlled your firm; and/or a firm that was solely or jointly owned, managed, or otherwise controlled by a firm that also solely or jointly owned, managed, or otherwise controlled your firm.

Reporting of information.-- If information is not readily available from your records in exactly the form requested, furnish carefully prepared estimates. If your firm is completing more than one questionnaire in connection with this proceeding (i.e., a producer, importer, and/or purchaser questionnaire), you need not respond to duplicated questions in the questionnaires.

Confidentiality.--The commercial and financial data furnished in response to this questionnaire that reveal the individual operations of your firm will be treated as confidential by the Commission to the extent that such data are not otherwise available to the public and will not be disclosed except as may be required by law (see 19 U.S.C. § 1677f). Such confidential information will not be published in a manner that will reveal the individual operations of your firm; however, general characterizations of numerical business proprietary information (such as discussion of trends) will be treated as confidential business information only at the request of the submitter for good cause shown.

Verification.--The information submitted in this questionnaire is subject to audit and verification by the Commission. To facilitate possible verification of data, please keep all of your files, worksheets, and supporting documents used in the preparation of the questionnaire response. Please also retain a copy of the final document that you submit.

Release of information.--The information provided by your firm in response to this questionnaire, as well as any other business proprietary information submitted by your firm to the Commission in connection with this proceeding, may become subject to, and released under, the administrative protective order provisions of the Tariff Act of 1930 (19 U.S.C. § 1677f) and section 207.7 of the Commission's Rules of Practice and Procedure (19 CFR § 207.7). This means that certain lawyers and other authorized individuals may temporarily be given access to the information for use in connection with this proceeding or other import-injury proceedings conducted by the Commission on the same or similar merchandise; those individuals would be subject to severe penalties if the information were divulged to unauthorized individuals.
