SUBJECT: Change Justification Request for Form Number Change Approval to
FNS 683 B WIC Farmers' Market Nutrition Program Annual Financial
and Program Data Report under Approved OMB
Clearance 0584-0594

The Food and Nutrition Service (FNS), Supplemental Food Programs Division is requesting approval to change the form number from FNS 683 to FNS 683B WIC Farmers' Market Nutrition Program Annual Financial and Program Data Report. The original FNS 683 needs to remain in FPRS for historical purposes. The 683 B will be implemented in FY 2016. This 683 B is necessary because it combined data elements from FNS-203 which was approved by OMB 10/1/2014.

The reporting burden for the FNS 683B will be contained in the Food Programs Reporting System (FPRS) OMB Control No. 0584-0594, Expiration Date: 6/30/2017.

Questions regarding this data collection request can be directed to Rachelle Ragland Greene 703-305-2584.
