* If available, please provide more detailed labor hours using Table 3.

** If appropriate, please provide more detailed reports using Table 2 or similar format.

***Other direct costs include items such as printing, postage, and shipping. They may also include travel costs or transportation costs for food, purchase of food, and so forth.

†Please insert additional rows as needed for other staff titles.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-XXXX. The time required to complete this information collection is estimated to average 2.25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

* Please include a line for volunteer labor and number of hours, if applicable. Also, indicate if any staff is temporary or if overtime labor is being used.

** Please specify whether the fringe benefit was calculated as a percentage of the employee's salary, fixed amount, etc.

***Please copy rows 19-25 as needed to provide information for additional types of staff.

Notes: Instead of providing hours and an hourly rate, feel free to use annual salary and percentage of time over the grant year, if that is easier.

Please include support staff such as clerical workers, as well as managers and professional staff.

Start-Up Costs are any one-time costs needed to make the project fully operational. Most will occur during the Start-Up period, but the "Start-Up" column is there in case some of these costs (such as hiring and training staff) last into the early months of implementation.
