Dear BRDS contact:

We have not received your response to the 2014 **Business R&D and Innovation Survey** that we sent to you in late January. Your response was due 30 days from receipt. Your company's report is now **past due**.

This survey is **mandatory and confidential**. Title 13 of the U.S. Code both authorizes the collection of information in this survey and makes your response mandatory. Title 13 also protects the confidentiality for all of your company's information. Only persons sworn to protect Title 13 information may see your responses.

You can **file your survey online** through the Census Bureau's Business Help Site: [econhelp.census.gov/brdscr](http://econhelp.census.gov/brdscr). Your User ID and Password are located on the front page of the questionnaire booklet. Alternatively, you may return your completed questionnaire in the enclosed envelope.

Your prompt response is greatly appreciated. Please don't hesitate to call us at 1-800-772-7851, option '5' between 8:00 am and 5:00 pm Eastern time, Monday through Friday, if you have any questions or would like to request a time extension.

Please return or submit your survey no later than **June 16, 2015** to avoid further collection attempts.

If you have already submitted your company's response, please disregard this reminder.

Sincerely,

Kimberly P. Moore  
Chief, Economic Reimbursable Surveys Division  
U.S. Census Bureau

**The Business R&D and Innovation Survey is conducted under a joint partnership agreement between the National Science Foundation and the U.S. Census Bureau.**
