Instructions

APPLICATION FOR CRAB IFQ HIRED MASTER (SKIPPER) PERMIT

GENERAL

A crab individual fishing quota (IFQ) Hired Master permit is issued on an annual basis and authorizes the individual identified on the permit to harvest and land IFQ crab for debit against the specified crab IFQ permit. Individual Fishing Quota (IFQ) permit holders, including cooperatives, must submit this application to authorize an IFQ Hired Master (Hired Skipper) under the BSAI Crab Rationalization regulations. It may also be used to delete such authorization.

If a Hired Master is harvesting IFQ, a legible copy of an IFQ Hired Master permit must be on board a vessel used to harvest IFQ crab at all times such crab are retained on board.

An individual who is issued a Crab IFQ Hired Master Permit must remain on board the vessel used to harvest IFQ crab during the crab QS fishing trip and at the landing site until all crab harvested under that permit are offloaded and the landing report for such crab has been completed.

Who Needs a Hired Master Permit?

- ◆ A separate application must be submitted for each vessel upon which the applicant's IFQ permit(s) is to be fished by a hired skipper.
- ◆ For a crab harvesting cooperative, an application for a Hired Master permit must be submitted by the cooperative's Authorized Representative (designated agent), as set out on the cooperative's IFQ application.
- ◆ Crab IFQ permits issued to non-individual Quota Share (QS) holders may only be legally fished if an individual IFQ Hired Skipper has been designated to fish such permit. RAM will not automatically provide a permit to the representative or the agent of non-individual QS Holders; therefore, Crab IFQ permit holders who are not individuals must designate a master to harvest their crab annual IFQ.

NOTE: Hired Master Permits may not be issued to harvest IFQ in the Captain/Crew (CVC, CPC) sectors.
