

NWS Medford Transportation Weather Web Page

OMB Control No. 0648-0342
Expiration Date: 5/31/2018

The National Weather Service primarily wants to know if/how the transportation weather web page (shown below) helps you make decisions and how we can improve these web pages.

This is a voluntary survey. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to noel.keene@noaa.gov, National Weather Service, 4003 Cirrus Drive, Medford, OR 97504.

Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number. Responses are anonymous and if reported will be in aggregate form.
