**TITLE OF INFORMATION COLLECTION:** OMB Form No. 0917-0036: Chinle Service Unit (CSU) Pediatric Care Unit (PCU) Patient Experience Survey

**PURPOSE:**

To support the IHS mission, the information obtained from the inpatient satisfaction surveys provides feedback to the provider and care teams about patients’ hospital experience of inpatient care. The information gathered will be used to measure patient satisfaction, identify strengths and weaknesses in current service provisions, improve patient care, and make other improvements that are practical and feasible for CSU service programs.

**DESCRIPTION OF RESPONDENTS:**

The PCU Inpatient Satisfaction Survey is administered by the staff to the patient’s (age 0 to 18) parent, caregiver, or his or her appointed designee, to complete on behalf of the child, on a voluntary basis upon discharge from the PCU unit. The survey contains a total 21 questions based on the patient’s experience at the inpatient services of the facility. Staff will collect the surveys and enter the results into the Survey Monkey website on the date of visit for further review and analysis.

The attached survey in .pdf displays all questions included.

PCU Patients	420	6 minutes	42 hrs.
