HOPS

We would like to ask you a few questions about things that you have done in the last six months.

Some of these questions may seem personal but we encourage you to answer honestly. Please keep in mind that your answers to these questions are private, and that no one in this clinic will have access to this information. The only information the clinic will receive is whether or not this survey was completed.

Your answers will be used to aid medical research about behavior and diseases.

Start

HOPS

For the following questions, a drink of alcohol is defined as 1 can or bottle of beer, 1 glass of wine, 1 can or bottle of wine cooler, 1 cocktail or 1 shot of liquor.

During the past 30 days, did you have at least 1 drink of any alcoholic beverage? If you have had at least one drink in the past 6 months, select YES. If you have not had at least one drink, select NO.

Yes **No**   **Skip**

You have completed 0% questions.

Select YES:
