PLEASE READ THIS INFORMATION BEFORE COMPLETING THIS REPORT

The information you give us on this report will be used by the office that makes the disability decision on your disability claim. Completing this report accurately and completely will help us expedite your claim. Please complete as much of the report as you can.

IF YOU NEED HELP

You can get help from other people, such as a friend or family member. Please do **not** ask your health care provider to complete this report. If you cannot complete the report, a Social Security Representative will assist you. If you have an appointment, please have the completed report ready when we contact you. If we ask you to do so, please mail the completed report to us ahead of time.

Note: If you are assisting someone else with this report, please answer the questions as if that person were completing the report.

HOW TO COMPLETE THIS REPORT

- Print or write clearly.
- Include a ZIP or postal code with each address.
- Provide complete phone numbers including area code. If a phone number is outside the United States, also provide International Direct Dialing (IDD) code and country code.

YOUR MEDICAL RECORDS

If you have any of your medical records, send or bring them to our office with this completed report. Please tell us if you want to keep your records so we can return them to you. If you are having an interview in our office, bring your medical records, your prescription medicine containers (if available), and the completed report with you.

YOU DO NOT NEED TO ASK DOCTORS OR HOSPITALS FOR ANY MEDICAL RECORDS THAT YOU DO NOT ALREADY HAVE. With your permission, we will request your records. The information that you give us on this report tells us where to request your medical and other records.

WHAT WE MEAN BY "DISABILITY"

"Disability" under Social Security is based on your inability to work. For purposes of this claim, we want you to understand that "disability" means you are unable to work as defined by the Social Security Act. You will be considered disabled if you are unable to do any kind of work for which you are suited and if your disability is expected to last (or has lasted) for at least a year or is expected to result in death. So when we ask "when did you become unable to work," we are asking when you became disabled as defined by the Social Security Act.

Privacy Act Statement Collection and Use of Personal Information

Section 205(a), 223(d), and 1631(e)(1) of the Social Security Act, as amended, authorize us to collect this information. We will use the information you provide to make a decision on the named claimant's claim.

Furnishing us this information is voluntary. However, failing to provide us with all or part of the information could prevent us from making an accurate and timely decision on the named claimant's claim.

We rarely use the information you supply for any purpose other than to make decisions regarding claims. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to the following:

- 1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
- 2. To comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs);
- 3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and,
- 4. To facilitate statistical research, audit, or investigative activities necessary to assure the integrity and improvement of Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for federally-funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

A complete list of routine uses for this information is available in Systems of Records Notice entitled, Claims Folders Systems, 60-0089. This notice, additional information regarding this form, and information regarding our programs and systems, are available on-line at www.socialsecurity.gov or at your local Social Security office.

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the <u>Paperwork Reduction Act of 1995</u>. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 60 minutes to read the instructions, gather the facts, and answer the questions.

SEND OR BRING THE COMPLETED FORM TO THE OFFICE THAT REQUESTED IT. You can find your local Social Security office through SSA's website at www.socialsecurity.gov. Offices are also listed under U. S.
