SUPPLEMENTARY INFORMATION: The Secretary of the Interior, through the Bureau of Indian Education (BIE), may solicit grants proposals from federally recognized tribes and their tribal education departments (TEDs) for projects defined by 25 U.S.C. 2020. These funds will support the program goals for the following areas to promote tribal education capacity building within Indian reservations to:

- Provide for the development and enforcement of tribal educational codes, including tribal educational policies and tribal standards applicable to curriculum, personnel, students, facilities, and support programs;
- Facilitate tribal control in all matters relating to the education of Indian children on reservations (and on former Indian reservations in Oklahoma); and
- Provide for the development of coordinated educational programs (including all preschool, elementary, secondary, and higher or vocational educational programs funded by tribal, Federal, or other sources) on reservations (and on former Indian reservations in Oklahoma) by encouraging administrative support of all Bureau-funded educational programs and encouraging tribal cooperation and coordination with entities carrying out all educational programs receiving financial support from other Federal agencies, State agencies, or private entities.

Grant awards will range from \$25,000 to \$150,000 per fiscal year depending on the number of projects, number of educational programs impacted, project design and expected outcomes. Subject to the availability of appropriated funds, a grant provided under 25 U.S.C. 2020 shall be provided for a period of three years. If the performance of a grant recipient is satisfactory to the Secretary, the grant may be renewed for an additional two-year term. As defined by 25 U.S.C. 2020, top priority will be given to proposals that meet the following:

- Serve three or more separate Bureau-funded schools;
- Provide coordinating services and technical assistance to all relevant Bureau-funded schools;
- Plan to monitor and audit grant funds by or through the TED; and/or
- Provide a plan and schedule that:
 - provides for:
 - the assumption, by the TED, of all assets and functions of the Bureau agency office associated with the tribe, to the extent the assets and functions relate to education; and
 - the termination by the Bureau of such functions and office at the time of such assumption; and
 - provides that the assumption will occur over the term of the grant, unless mutually agreeable to the tribal governing body and the Assistant Secretary – Indian Affairs, the period in which such assumption is to occur may be modified, reduced, or extended after the initial year of the grant.

BIE is seeking proposals from tribes that support the development of TEDs to improve educational outcomes for students and improve efficiencies and effectiveness in the operation of BIE-funded schools. Each proposal must include a project narrative, a budget narrative, and a work plan outline. Grant recipients must submit quarterly budget updates and an annual report at the end of each project year to ensure that the TED fulfills the obligations of the grant. Complete details on requirements for proposals and the evaluation and selection process can be found on the BIE web site at the address in the ADDRESSES section of this notice. In addition, BIE will hold pre-grant proposal training at several sites:
