The Chief Evaluation Office (CEO) has completed the Part B statistical review of RTI's O*NET Data Collection Program Paperwork Reduction Act (PRA) Package for the Employment Training Administration. CEO concluded that the revised responses contained in the Office of Management and Budget (OMB) supporting statements are adequate and sufficient in meeting OMB submission requirements.

Timeline & Actions

To evaluate the adequacy of the stated statistical methodology, CEO evaluated the following documents:

1. Supporting Statement for Part A Justification for the O*NET Data Collection Program
2. Supporting Statement for Part B Justification for the O*NET Data Collection Program

CEO recommends the following modifications:

1. Please update the Federal Register Notice date (Part A, page 25)
2. Please add quotation marks in the footnote (Part B, page 102)
3. The text reference to Exhibit 16 should be Exhibit 18. (Part B, page 108)

CEO approval is contingent on the three changes above.
