TITLE 22--FOREIGN RELATIONS AND INTERCOURSE

CHAPTER 32--FOREIGN ASSISTANCE

SUBCHAPTER I--INTERNATIONAL DEVELOPMENT

Part I--Declaration of Policy; Development Assistance Authorizations

Sec. 2151. Congressional findings and declaration of policy

(a) United States development cooperation policy

The Congress finds that fundamental political, economic, and technological changes have resulted in the interdependence of nations. The Congress declares that the individual liberties, economic prosperity, and security of the people of the United States are best sustained and enhanced in a community of nations which respect individual civil and economic rights and freedoms and which work together to use wisely the world's limited resources in an open and equitable international economic system. Furthermore, the Congress reaffirms the traditional humanitarian ideals of the American people and renews its commitment to assist people in developing countries to eliminate hunger, poverty, illness, and ignorance.

Therefore, the Congress declares that a principal objective of the foreign policy of the United States is the encouragement and sustained support of the people of developing countries in their efforts to acquire the knowledge and resources essential to development and to build the economic, political, and social institutions which will improve the quality of their lives.

United States development cooperation policy should emphasize five principal goals:

- (1) the alleviation of the worst physical manifestations of poverty among the world's poor majority;
- (2) the promotion of conditions enabling developing countries to achieve self-sustaining economic growth with equitable distribution of benefits;
- (3) the encouragement of development processes in which individual civil and economic rights are respected and enhanced;
- (4) the integration of the developing countries into an open and equitable international economic system; and
- (5) the promotion of good governance through combating corruption and improving transparency and accountability.

The Congress declares that pursuit of these goals requires that development concerns be fully reflected in United States foreign policy and that United States development resources be effectively and efficiently utilized.

(b) Coordination of development-related activities

Under the policy guidance of the Secretary of State, the agency primarily responsible for administering subchapter I of this chapter should have the responsibility for coordinating all United States development-related activities.

L. 89-583 provided for termination of assistance to any foreign country which does not take appropriate measures to provide compensation for damage or destruction by mob action of United States property within such country and declared that furnishing assistance shall not be construed as creating a new commitment or as affecting any existing commitment to use armed forces of the United States for the defense of any foreign country.

1965--Pub. L. 89-171 added expressions of the sense of Congress that in furnishing assistance under this subchapter excess personal property shall be utilized wherever practicable in lieu of the procurement of new items for United States-assisted projects and programs and that assistance under this chapter and other statutes should be terminated to any country permitting damage to or destruction of U.S. property within such country by mob action or by failing to take adequate preventive measures.

1963--Pub. L. 88-205 declared that institution of full investment guaranty programs with all recipient countries would be regarded as a significant measure of self-help by such countries improving investment climate, that assistance to maintain freedom from communism "shall" rather than "should" emphasize long-range development, that in the administration of programs of assistance, every precaution be taken to

assure that assistance is not diverted to any short-term emergency purpose or any purpose not essential to long-range economic development, that other industrialized free-world countries increase their contributions and assistance to more equitably share the burden, and the President should in his discretion, extend or withhold assistance from South Vietnam to further victory and the return home of Americans involved in the struggle there.

1962--Pub. L. 87-565 declared distinctions made by foreign nations between American citizens because of race, color, or religion, relating to rights available to such citizens, to be repugnant to our principals, required in the administration of these funds, that consideration be given those countries sharing our world views and which do not divert their resources to military or propaganda efforts, supported by the Soviet Union or Communist China, against the United States or countries receiving aid under this chapter, that the highest emphasis be given to programs for loans or loan guarantees for use by organizations in making low-interest loans to individuals in friendly countries for the purchase of small farms, purchase of homes, aiding or establishing small businesses, purchase of tools and equipment for an occupation or trade, or to obtain practical education in vocational skills, and to programs of technical assistance and development, each assisted country should be encouraged to recognize needs of the people in the preparation of national development programs, and declared that friendly nations are to be invited, where possible, to join in missions to consult with countries receiving assistance on the possibilities of

joint action to assure effective development of economic development plans and effective use of assistance provided them, and that the President may request international financial institutions to assist in establishing such missions.

Pub. L. 107-99, Dec. 21, 2001, 115 Stat. 962, provided that:

##### SECTION 1. SHORT TITLE.

This Act may be cited as the 'Zimbabwe Democracy and Economic Recovery Act of 2001'.

##### SEC. 2. STATEMENT OF POLICY.

It is the policy of the United States to support the people of Zimbabwe in their struggle to effect peaceful, democratic change, achieve broad-based and equitable economic growth, and restore the rule of law.

##### SEC. 3. DEFINITIONS.

In this Act:

- (1) International financial institutions.--The term 'international financial institutions' means the multilateral development banks and the International Monetary Fund.
- (2) Multilateral development banks.--The term 'multilateral development banks' means the International Bank for Reconstruction and Development, the International Development Association, the International Finance Corporation, the Inter-American Development Bank, the Asian Development Bank, the Inter-American Investment Corporation, the African Development Bank, the African Development Fund, the European Bank for Reconstruction and Development, and the Multilateral Investment Guaranty Agency.

#### SEC. 4. SUPPORT FOR DEMOCRATIC TRANSITION AND ECONOMIC RECOVERY.

(a) Findings.--Congress makes the following findings:

(1) Through economic mismanagement, undemocratic practices, and the costly deployment of troops to the Democratic Republic of the Congo, the Government of Zimbabwe has rendered itself ineligible to participate in International Bank for Reconstruction and Development and International Monetary Fund programs, which would otherwise be providing substantial resources to assist in the recovery and modernization of Zimbabwe's economy. The people of Zimbabwe have thus been denied the economic and democratic benefits envisioned by the donors to such programs, including the United States.

(2) In September 1999 the IMF suspended its support under a 'Stand By Arrangement', approved the previous month, for economic adjustment and reform in Zimbabwe.

(3) In October 1999, the International Development Association (in this section referred to as the 'IDA') suspended all structural adjustment loans, credits, and guarantees to the Government of Zimbabwe.

(4) In May 2000, the IDA suspended all other new lending to the Government of Zimbabwe.

(5) In September 2000, the IDA suspended disbursement of funds for ongoing projects under previously-approved loans, credits, and guarantees to the Government of Zimbabwe.

(b) Support for Democratic Transition and Economic Recovery.--

(1) Bilateral debt relief.--Upon receipt by the appropriate congressional committees of a certification described in subsection (d), the Secretary of the Treasury shall undertake a review of the feasibility of restructuring, rescheduling, or eliminating the sovereign debt of Zimbabwe held by any agency of the United States Government.

(2) Multilateral debt relief and other financial assistance.--It is the sense of Congress that, upon receipt by the appropriate congressional committees of a certification described in subsection (d), the Secretary of the Treasury should--

(A) direct the United States executive director of each multilateral development bank to propose that the bank should undertake a review of the feasibility of restructuring, rescheduling, or eliminating the sovereign debt of Zimbabwe held by that bank; and

(B) direct the United States executive director of each international financial institution to which the United States is a member to propose to undertake financial and technical support for Zimbabwe, especially support that is intended to promote Zimbabwe's economic recovery and development, the stabilization of the Zimbabwean dollar, and the viability of Zimbabwe's democratic institutions.

(c) Multilateral Financing Restriction.--Until the President makes the certification described in subsection (d), and except as may be required to meet basic human needs or for good governance, the Secretary of the Treasury shall instruct the United States executive director to each international financial institution to oppose and vote against--

(1) any extension by the respective institution of any loan, credit, or guarantee to the Government of Zimbabwe; or

(2) any cancellation or reduction of indebtedness owed by the Government of Zimbabwe to the United States or any international financial institution.

(d) Presidential Certification That Certain Conditions Are Satisfied.--A certification under this subsection is a certification transmitted to the appropriate congressional committees of a determination made by the President that the following conditions are satisfied:

(1) Restoration of the rule of law.--The rule of law has been restored in Zimbabwe, including respect for ownership and title to property, freedom of speech and association, and an end to the lawlessness, violence, and intimidation sponsored, condoned, or

tolerated by the Government of Zimbabwe, the ruling party, and their supporters or entities.

(2) Election or pre-election conditions.--Either of the following two conditions is satisfied:

(A) Presidential election.--Zimbabwe has held a presidential election that is widely accepted as free and fair by independent international monitors, and the president-elect is free to assume the duties of the office.

(B) Pre-election conditions.--In the event the certification is made before the presidential election takes place, the Government of Zimbabwe has sufficiently improved the pre-election environment to a degree consistent with accepted international standards for security and freedom of movement and association.

(3) Commitment to equitable, legal, and transparent land reform.--The Government of Zimbabwe has demonstrated a commitment to an equitable, legal, and transparent land reform program consistent with agreements reached at the International Donors' Conference on Land Reform and Resettlement in Zimbabwe held in Harare, Zimbabwe, in September 1998.

(4) Fulfillment of agreement ending war in Democratic Republic of Congo.--The Government of Zimbabwe is making a good faith effort to fulfill the terms of the Lusaka, Zambia, agreement on ending the war in the Democratic Republic of Congo.

(5) Military and national police subordinate to civilian government.--The Zimbabwean Armed Forces, the National Police of Zimbabwe, and other state security forces are responsible to and serve the elected civilian government.

(e) Waiver.--The President may waive the provisions of subsection (b)(1) or subsection (c), if the President determines that it is in the national interest of the United States to do so.

#### SEC. 5. SUPPORT FOR DEMOCRATIC INSTITUTIONS, THE FREE PRESS AND INDEPENDENT MEDIA, AND THE RULE OF LAW.

(a) In General.--The President is authorized to provide assistance under part I [22 U.S.C. 2151 et seq.] and chapter 4 of part II [22 U.S.C. 2346 et seq.] of the Foreign Assistance Act of 1961 to--

- (2) \$6,000,000 is authorized to be available to provide the assistance described in subsection (a)(3).

(c) Supersedes Other Laws.--The authority in this section supersedes any other provision of law.

#### SEC. 6. SENSE OF CONGRESS ON THE ACTIONS TO BE TAKEN AGAINST INDIVIDUALS RESPONSIBLE FOR VIOLENCE AND THE BREAKDOWN OF THE RULE OF LAW IN ZIMBABWE.

It is the sense of Congress that the President should begin immediate consultation with the governments of European Union member states, Canada, and other appropriate foreign countries on ways in which to--

- (1) identify and share information regarding individuals responsible for the deliberate breakdown of the rule of law, politically motivated violence, and intimidation in Zimbabwe;
- (2) identify assets of those individuals held outside Zimbabwe;
- (3) implement travel and economic sanctions against those individuals and their associates and families; and

## African Conflict Resolution

Pub. L. 103-381, Oct. 19, 1994, 108 Stat. 3513, provided that:

### SECTION. 1. SHORT TITLE.

This Act may be cited as the `African Conflict Resolution Act'.

### SEC. 2. FINDINGS AND STATEMENT OF POLICY.

(a) Findings.--The Congress makes the following findings:

(1) It is in the national interest of the United States to help build African capability in conflict resolution. A relatively small investment of assistance in promoting African conflict resolution--

(A) would reduce the enormous human suffering which is caused by wars in Africa;

(B) would help the United States avoid huge future expenditures necessitated by Somalia-like humanitarian disasters; and

(C) would reduce the need for United Nations intervention as African institutions develop the ability to resolve African conflicts.

(2) Africa, to a greater extent than any other continent, is afflicted by war. Africa has been marred by more than 20 major civil wars since 1960. Rwanda, Somalia, Angola, Sudan, Liberia, and Burundi are among those countries that have recently suffered

serious armed conflict.

(3) In the last decade alone, between 2,000,000 and 4,000,000 Africans have died because of war. There were 5,200,000 refugees and 13,100,000 displaced people in Africa in 1993.

(4) Millions more Africans are currently at risk of war-related death. Looming or ongoing conflicts in Zaire, Angola, Sudan, Rwanda, and other countries threaten Africa's future.

(5) War has caused untold economic and social damage to the countries of Africa. Food production is impossible in conflict areas, and famine often results. Widespread conflict has condemned many of Africa's children to lives of misery and, in certain cases, has threatened the existence of traditional African cultures.

(6) Conflict and instability in Africa, particularly in large, potentially rich countries such as Angola, Sudan, and Zaire, deprive the global economy of resources and opportunities for trade and investment. Peace in these countries could make a significant contribution to global economic growth, while creating new opportunities for United States businesses.

(7) Excessive military expenditures threaten political and economic stability in Africa while diverting scarce resources from development needs. Demobilization and other measures to reduce the size of African armies, and civilian control of the military under the rule of law are in the interest of international security and economic development.

(8) Conflict prevention, mediation, and demobilization are prerequisites to the success of development assistance programs. Nutrition and education programs, for example, cannot succeed in a nation at war. Billions of dollars of development assistance have been virtually wasted in war-ravaged countries such as Liberia, Somalia, and Sudan.

(9) Africans have a long tradition of informal mediation. This tradition should be built upon to create effective institutions through which Africans can resolve African conflicts.

(10) The effectiveness of U.S. support for conflict resolution programs requires coordination and collaboration with multilateral institutions and other bilateral donors.

(11) African institutions are playing an active role in conflict resolution and mediation utilizing the experience of elder statesmen. Groups such as the All African Council of

Churches have assisted in defusing conflicts. The Economic Community of West African States (ECOWAS) has sought to address the conflict in Liberia by deploying an African peacekeeping force. The Southern African states have been working to prevent a crisis in Lesotho. The Intergovernmental Authority on Desertification and Drought (IGADD) has been engaged in attempting to resolve the conflict in Sudan.

(12) The Organization of African Unity, under the leadership of Secretary General Salim Salim, has established a conflict resolution mechanism and has been active in mediation and conflict resolution in several African countries.

(b) United States Policy.--The Congress declares, therefore, that a key goal for United States foreign policy should be to help institutionalize conflict resolution capability in Africa.

### SEC. 3. IMPROVING THE CONFLICT RESOLUTION CAPABILITIES OF THE ORGANIZATION OF AFRICAN UNITY.

(a) Authorization of Assistance.--The President is authorized to provide assistance to strengthen the conflict resolution capability of the Organization of African Unity, as follows:

(2) Funds may be used for the expenses of sending individuals with expertise in conflict resolution to work with such organizations.

(1) provide assistance for the encampment and related activities for the purpose of demobilization of such forces; and

(2) provide assistance for the reintegration of demobilized military personnel into civilian society through activities such as retraining for civilian occupations, creation of income-generating opportunities, their reintegration into agricultural activities, and the transportation to the home areas of such personnel.

(b) Funding.--Of the foreign assistance funds that are allocated sub-Saharan Africa, \$25,000,000 for each of the fiscal years 1995 and 1996 should be used for the assistance described in subsection (a), if conditions permit.

(2) The type and amount of assistance that is planned to be provided for the demobilization of military personnel of countries of sub-Saharan Africa, including--  
(A) a list of which countries will receive such assistance and an explanation of why such countries were chosen for such assistance; and  
(B) a list of other countries and international organizations that are providing assistance for such demobilization.

(3) The type and amount of assistance that is planned to be provided to nongovernmental organizations that are engaged in mediation and reconciliation efforts in sub-Saharan Africa.

(4) A description of proposed training programs for Africans in conflict resolution and peacekeeping under section 7, including a list of prospective participants and plans to expand such programs.

(5) The mechanisms to be used to coordinate interagency efforts to administer the plan.

(6) Efforts to seek the participation of other countries and international organizations to achieve the objectives of the plan.

(c) Report.--Not later than 180 days after the date of the enactment of this Act [Oct. 19, 1994], the President shall submit to the appropriate congressional committees a report containing a description of the plan developed under this section.

Pub. L. 97-113, title VII, Sec. 734(c), Dec. 29, 1981, 95 Stat. 1561, provided that: "Except as otherwise explicitly provided by their terms, amendments to the Foreign Assistance Act of 1961 [see Short Title note above] and the Arms Export Control Act [see Short Title note set out under section 2751 of this title] which are applicable only to a single fiscal or calendar year or which require reports or other actions on a nonrecurring basis shall be deemed to have expired and shall be removed from law upon the expiration of the applicable time periods for the fulfillment of the required actions."

#### Assistance for Panama

Pub. L. 101-167, title V, Sec. 561, Nov. 21, 1989, 103 Stat. 1239, provided that:

(a) Unless the President certifies to Congress that--

- (1) the Government of Panama has demonstrated substantial progress in assuring civilian control of the armed forces and that the Panama Defense Forces and its leaders have been removed from nonmilitary activities and institutions;
- (2) an impartial investigation into allegations of illegal actions by members of the Panama Defense Force is being conducted;
- (3) a satisfactory agreement has been reached between the governing authorities and representatives of the opposition forces on conditions for free and fair elections; and
- (4) freedom of the press and other constitutional guarantees, including due process of law, are being restored to the Panamanian people;

then no United States assistance (including any such assistance appropriated and previously obligated) shall be obligated or expended for programs, projects, or activities which assist or lend support for the Noriega regime, or ministries of government under the control of the Noriega regime, or any successor regime that does not meet the criteria specified in subsection (a) of this section in this fiscal year and any fiscal year thereafter, and none of the funds appropriated or otherwise made available in this Act, or any other Act, shall be used to finance any participation of the United States in joint military exercises conducted in Panama during the fiscal year 1990.

(b) It is the sense of the Congress that if the conditions described in paragraphs (1) through (4) of subsection (a) have been certified as having been met, then not only will United States assistance be restored, but increased levels of such assistance should be considered for Panama.

(c) For purposes of this section, the term `United States assistance' means assistance of any kind which is provided by grant, sale, loan, lease, credit, guaranty, or insurance, or by any other means, by any agency or instrumentality of the United States Government, including--

- (4) other financing programs of the Commodity Credit Corporation for export sales of nonfood commodities;
- (5) financing under the Export-Import Bank Act of 1945 [12 U.S.C. 635 et seq.]; and
- (6) assistance provided by the Central Intelligence Agency or assistance provided by any other entity or component of the United States Government if such assistance is carried out in connection with, or for purposes of conducting, intelligence or intelligence-related activities except that this shall not include activities undertaken solely to collect necessary intelligence; except that the term `United States assistance' does not include
  - (A) assistance under chapter 1 of part I of the Foreign Assistance Act of 1961 [22 U.S.C. 2151 et seq.] insofar as such assistance is provided through private and voluntary organizations or other nongovernmental agencies,
  - (B) assistance which involves the donations of food or medicine,
  - (C) disaster relief assistance (including any assistance under chapter 9 of part I of the Foreign Assistance Act of 1961 [22 U.S.C. 2292 et seq.]),
  - (D) assistance for refugees,
  - (E) assistance under the Inter-American Foundation Act [22 U.S.C. 290f],
  - (F) assistance necessary for the purpose of continuing participant training programs (including scholarships) already being supported as of the date of any prohibition of assistance otherwise applicable to Panama, or
  - (G) assistance made available for termination costs arising from the requirements of this section.

(d) The Secretary of the Treasury shall instruct the United States Executive Directors to the International Financial Institutions (the International Bank for Reconstruction and Development, the International Finance Corporation, and the Inter-American Development Bank) to vote against any loan to Panama, unless the President has certified in advance that the conditions set forth in subsection (a) of this section have been met."

(a) The Administrator of the agency primarily responsible for administering part I of the Foreign Assistance Act of 1961 [this subchapter] shall prepare and transmit to the Congress, not later than 30 days after the date of enactment of this Act [Aug. 3, 1977], a detailed plan for the establishment of a section on minority business within such agency.

(b) Such plan shall include, but shall not be limited to--

- (1) a description of where the section on minority business will be located in such agency's organizational structure and what relevant lines of authority will be established;
- (2) a listing of the specific responsibilities that will be assigned to the section on minority business to enable it to increase, in a rational and effective manner, participation of minority business enterprises in activities funded by such agency;
- (3) a design for a time-phase system for bringing about expanded minority business enterprise participation, including specific recommendations for percentage allocations of contracts by such agency to minority business enterprises;
- (4) a proposed reporting system that will permit objective measuring of the degree of participation of minority business enterprises in comparison to the total activities funded by such agency;
- (5) a detailed projection of the administrative budgetary impact of the establishment of the section on minority business; and
- (6) a detailed set of objective criteria upon which determinations will be made as to the qualifications of minority business enterprises to receive contracts funded by such agency.

(c)

(1) Upon the enactment of the International Development Cooperation Act of 1979 [Aug. 14, 1979], the section on minority business established pursuant to subsection (a) shall be redesignated as the Minority Resource Center (hereafter in this section referred to as the `Center') which shall be responsible for increasing the participation of economically and socially disadvantaged business enterprises in contract, procurement, grant, and research and development activities funded by the agency primarily responsible for administering part I of the Foreign Assistance Act of 1961 [this subchapter] (hereafter in this section referred to as the `agency').

(2) The Center shall--

(A) establish, maintain, and disseminate information to, and otherwise serve as an information clearinghouse for, economically and socially disadvantaged business enterprises regarding business opportunities in development assistance programs funded by the agency;

(B) design and conduct programs to encourage, promote, and assist economically and socially disadvantaged business enterprises to secure direct contracts, host country contracts, operation expatriate contracts, indefinite quantity contracts, subcontracts, projects, grants, and research and development contracts in order for such enterprises to participate in such development assistance programs;

(C) conduct market research, planning, economic and business analyses, and feasibility studies to identify business opportunities in such development assistance programs;

(D) develop support mechanisms which will enable socially and economically disadvantaged businesses to take advantage of business opportunities in such development assistance programs; and

(E) enter into such contracts (to such extent or in such amounts as are provided in appropriation Acts), cooperative agreements, or other transactions as may be necessary in the conduct of its functions under this section.

(3) The Administrator of the agency and the Secretary of State shall provide the Center with such relevant information, including procurement schedules, bids, and specifications with respect to development assistance programs funded by the agency, as may be requested by the Center in connection with the performance of its functions under this section.

(4) There shall be a Director of the Center who shall be the chief executive officer of the Center. The Director shall be appointed by the Administrator of the agency.

(5)

(A) For the purposes of this section, the term `economically and socially disadvantaged enterprise' means a business--

(i) which is at least 51 percent owned by one or more socially and economically disadvantaged individuals or, in the case of a publicly owned business, at least 51 percent of the stock of which is owned by one or more socially and economically disadvantaged individuals; and

(ii) whose management and daily business operations are controlled by one or more such individuals.

(B) Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias because of their identity as a member of a group without regard to their individual qualities.

(C) Economically disadvantaged individuals are those socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same business area who are not socially disadvantaged. In determining the degree of diminished credit and capital opportunities, the Administrator of the agency shall consider, but not be limited to, the assets and net worth of the socially disadvantaged individual.

(6) [Repealed. Pub. L. 97-113, title VII, Sec. 734(a)(6), Dec. 29, 1981, 95 Stat. 1560.]

(7) Of the funds available to the agency for operating expenses, up to \$950,000 for fiscal year 1980 may be allocated to the Center to carry out its functions under this section.

(8) If the Administrator of the agency determines that such a consolidation would significantly further the purposes of this section and would eliminate unnecessary duplication of activity, the Administrator may consolidate the Center with the Office of Small and Disadvantaged Business Utilization established in the agency by section 15(k) of the Small Business Act [section 644(k) of Title 15, Commerce and Trade]. Any such consolidation shall ensure that all the functions specified in paragraph (2) of this subsection continue to be carried out. Before implementing any such consolidation, the Administrator shall submit to the Congress a detailed report setting forth the reasons for the proposed consolidation."

[Amendment by Pub. L. 96-53 (adding subsec. (c) to section 133 of Pub. L. 95-88) effective Aug. 14, 1979, see section 512(b) of Pub. L. 96-53, set out as an Effective Date of 1979 Amendment note above.]

## **Executive Order 13224 of September 23, 2001**

### **Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism**

By the authority vested in me as President by the Constitution and the laws of the United States of America, including the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.)(IEEPA), the National Emergencies Act (50 U.S.C. 1601 et seq.), section 5 of the United Nations Participation Act of 1945, as amended (22 U.S.C. 287c) (UNPA), and section 301 of title 3, United States Code, and in view of United Nations Security Council Resolution (UNSCR) 1214 of December 8, 1998, UNSCR 1267 of October 15, 1999, UNSCR 1333 of December 19, 2000, and the multilateral sanctions contained therein, and UNSCR 1363 of July 30, 2001, establishing a mechanism to monitor the implementation of UNSCR 1333,

I, GEORGE W. BUSH, President of the United States of America, find that grave acts of terrorism and threats of terrorism committed by foreign terrorists, including the terrorist attacks in New York, Pennsylvania, and the Pentagon committed on September 11, 2001, acts recognized and condemned in UNSCR 1368 of September 12, 2001, and UNSCR 1269 of October 19, 1999, and the continuing and immediate threat of further attacks on United States nationals or the United States constitute an unusual and extraordinary threat to the national security, foreign policy, and economy of the United States, and in furtherance of my proclamation of September 14, 2001, Declaration of National Emergency by Reason of Certain Terrorist Attacks, hereby declare a national emergency to deal with that threat. I also find that because of the pervasiveness and expansiveness of the financial foundation of foreign terrorists, financial sanctions may be appropriate for those foreign persons that support or otherwise associate with these

foreign terrorists. I also find that a need exists for further consultation and cooperation with, and sharing of information by, United States and foreign financial institutions as an additional tool to enable the United States to combat the financing of terrorism.

I hereby order:

Section 1. Except to the extent required by section 203(b) of IEEPA (50 U.S.C. 1702(b)), or provided in regulations, orders, directives, or licenses that may be issued pursuant to this order, and notwithstanding any contract entered into or any license or permit granted prior to the effective date of this order, all property and interests in property of the following persons that are in the United States or that hereafter come within the United States, or that hereafter come within the possession or control of United States persons are blocked:

- (a) foreign persons listed in the Annex to this order;
- (b) foreign persons determined by the Secretary of State, in consultation with the Secretary of the Treasury and the Attorney General, to have committed, or to pose a significant risk of committing, acts of terrorism that threaten the security of U.S. nationals or the national security, foreign policy, or economy of the United States;
- (c) persons determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General, to be owned or controlled by, or to act for or on behalf of those persons listed in the Annex to this order or those persons determined to be subject to subsection 1(b), 1(c), or 1(d)(i) of this order;
- (d) except as provided in section 5 of this order and after such consultation, if any, with foreign authorities as the Secretary of State, in consultation with the Secretary of the Treasury and the Attorney General, deems appropriate in the exercise of his discretion, persons determined by the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General;
  - (i) to assist in, sponsor, or provide financial, material, or technological support for, or financial or other services to or in support of, such acts of terrorism or those persons listed in the Annex to this order or determined to be subject to this order; or
  - (ii) to be otherwise associated with those persons listed in the Annex to this order or those persons determined to be subject to subsection 1(b), 1(c), or 1(d)(i) of this order.

Sec. 2. Except to the extent required by section 203(b) of IEEPA (50 U.S.C. 1702(b)), or provided in regulations, orders, directives, or licenses that may be issued pursuant to this order, and notwithstanding any contract entered into or any license or permit granted prior to the effective date:

- (a) any transaction or dealing by United States persons or within the United States in property or interests in property blocked pursuant to this order is prohibited, including but not limited to the making or receiving of any contribution of funds, goods, or services to or for the benefit of those persons listed in the Annex to this order or determined to be subject to this order;

(b) any transaction by any United States person or within the United States that evades or avoids, or has the purpose of evading or avoiding, or attempts to violate, any of the prohibitions set forth in this order is prohibited; and

(c) any conspiracy formed to violate any of the prohibitions set forth in this order is prohibited.

Sec. 3. For purposes of this order:

(a) the term "person" means an individual or entity;

(b) the term "entity" means a partnership, association, corporation, or other organization, group, or subgroup;

(c) the term "United States person" means any United States citizen, permanent resident alien, entity organized under the laws of the United States (including foreign branches), or any person in the United States; and

(d) the term "terrorism" means an activity that --

(i) involves a violent act or an act dangerous to human life, property, or infrastructure; and

(ii) appears to be intended --

(A) to intimidate or coerce a civilian population;

(B) to influence the policy of a government by intimidation or coercion; or

(C) to affect the conduct of a government by mass destruction, assassination, kidnapping, or hostage-taking.

Sec. 4. I hereby determine that the making of donations of the type specified in section 203(b)(2) of IEEPA (50 U.S.C. 1702(b)(2)) by United States persons to persons determined to be subject to this order would seriously impair my ability to deal with the national emergency declared in this order, and would endanger Armed Forces of the United States that are in a situation where imminent involvement in hostilities is clearly indicated by the circumstances, and hereby prohibit such donations as provided by section 1 of this order. Furthermore, I hereby determine that the Trade Sanctions Reform and Export Enhancement Act of 2000 (title IX, Public Law 106-387) shall not affect the imposition or the continuation of the imposition of any unilateral agricultural sanction or unilateral medical sanction on any person determined to be subject to this order because imminent involvement of the Armed Forces of the United States in hostilities is clearly indicated by the circumstances.

Sec. 5. With respect to those persons designated pursuant to subsection 1(d) of this order, the Secretary of the Treasury, in the exercise of his discretion and in consultation with the Secretary of State and the Attorney General, may take such other actions than the complete blocking of property or interests in property as the President is authorized to take under IEEPA and UNPA if the Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General, deems such other actions to be

consistent with the national interests of the United States, considering such factors as he deems appropriate.

Sec. 6. The Secretary of State, the Secretary of the Treasury, and other appropriate agencies shall make all relevant efforts to cooperate and coordinate with other countries, including through technical assistance, as well as bilateral and multilateral agreements and arrangements, to achieve the objectives of this order, including the prevention and suppression of acts of terrorism, the denial of financing and financial services to terrorists and terrorist organizations, and the sharing of intelligence about funding activities in support of terrorism.

Sec. 7. The Secretary of the Treasury, in consultation with the Secretary of State and the Attorney General, is hereby authorized to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA and UNPA as may be necessary to carry out the purposes of this order. The Secretary of the Treasury may redelegate any of these functions to other officers and agencies of the United States Government. All agencies of the United States Government are hereby directed to take all appropriate measures within their authority to carry out the provisions of this order.

Sec. 8. Nothing in this order is intended to affect the continued effectiveness of any rules, regulations, orders, licenses, or other forms of administrative action issued, taken, or continued in effect heretofore or hereafter under 31 C.F.R. chapter V, except as expressly terminated, modified, or suspended by or pursuant to this order.

Sec. 9. Nothing contained in this order is intended to create, nor does it create, any right, benefit, or privilege, substantive or procedural, enforceable at law by a party against the United States, its agencies, officers, employees or any other person.

Sec. 10. For those persons listed in the Annex to this order or determined to be subject to this order who might have a constitutional presence in the United States, I find that because of the ability to transfer funds or assets instantaneously, prior notice to such persons of measures to be taken pursuant to this order would render these measures ineffectual. I therefore determine that for these measures to be effective in addressing the national emergency declared in this order, there need be no prior notice of a listing or determination made pursuant to this order.

Sec. 11. (a) This order is effective at 12:01 a.m. eastern daylight time on September 24, 2001.

(b) This order shall be transmitted to the Congress and published in the Federal Register.

Homeland Security Presidential Directive 6

**Homeland Security Presidential Directive-6**

September 16, 2003

SUBJECT: Integration and Use of Screening Information

To protect against terrorism it is the policy of the United States to (1) develop, integrate, and maintain thorough, accurate, and current information about individuals known or appropriately suspected to be or have been engaged in conduct constituting, in preparation for, in aid of, or related to terrorism (Terrorist Information); and (2) use that information as appropriate and to the full extent permitted by law to support (a) Federal, State, local, territorial, tribal, foreign-government, and private-sector screening processes, and (b) diplomatic, military, intelligence, law enforcement, immigration, visa, and protective processes.

This directive shall be implemented in a manner consistent with the provisions of the Constitution and applicable laws, including those protecting the rights of all Americans.

To further strengthen the ability of the United States Government to protect the people, property, and territory of the United States against acts of terrorism, and to the full extent permitted by law and consistent with the policy set forth above:

1. The Attorney General shall establish an organization to consolidate the Government's approach to terrorism screening and provide for the appropriate and lawful use of Terrorist Information in screening processes.
2. The heads of executive departments and agencies shall, to the extent permitted by law, provide to the Terrorist Threat Integration Center (TTIC) on an ongoing basis all appropriate Terrorist Information in their possession, custody, or control. The Attorney General, in coordination with the Secretary of State, the Secretary of Homeland Security, and the Director of Central Intelligence shall implement appropriate procedures and safeguards with respect to all such information about United States persons. The TTIC will provide the organization referenced in paragraph (1) with access to all appropriate information or intelligence in the TTIC's custody, possession, or control that the organization requires to perform its functions.
3. The heads of executive departments and agencies shall conduct screening using such information at all appropriate opportunities, and shall report to the Attorney General not later than 90 days from the date of this directive, as to the opportunities at which such screening shall and shall not be conducted.
4. The Secretary of Homeland Security shall develop guidelines to govern the use of such information to support State, local, territorial, and tribal screening processes, and private sector screening processes that have a substantial bearing on homeland security.

5. The Secretary of State shall develop a proposal for my approval for enhancing cooperation with certain foreign governments, beginning with those countries for which the United States has waived visa requirements, to establish appropriate access to terrorism screening information of the participating governments.

This directive does not alter existing authorities or responsibilities of department and agency heads to carry out operational activities or provide or receive information. This directive is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right or benefit enforceable at law or in equity by any party against the United States, its departments, agencies, entities, officers, employees or agents, or any other person.

The Attorney General, in consultation with the Secretary of State, the Secretary of Homeland Security, and the Director of Central Intelligence, shall report to me through the Assistant to the President for Homeland Security not later than October 31, 2003, on progress made to implement this directive and shall thereafter report to me on such progress or any recommended changes from time to time as appropriate.
