Westat Initial Email to Sampled Employers

2015 SURVEY OF E-VERIFY EMPLOYERS

Dear «FirstN» «LastN»,

As explained in the attached letter from the U.S. Citizenship and Immigration Services (USCIS), Westat is conducting an evaluation of the E-Verify employment verification program that «CompanyName» is currently using. We request your participation in this evaluation by completing an online survey about E-Verify. Your perspective in this program will help to determine what aspects of E-Verify are working well and what features need to be added or modified.

If you are not the person at your establishment who is most familiar with the E-Verify program, please provide us with the name, email address and phone number of the person we should be contacting.

To complete the online survey, please click on the following link or copy and paste it into your web browser: https://www.everifystudy.org

Your user login is: **«uLogin»**
Your password is: **«uPwd»**

Your individual responses will not be shared with USCIS or other persons outside of the evaluation team except in summary form that will not permit identification of employers. The web survey takes approximately 30 minutes to complete. After completing the survey, you will be given the opportunity to print the questions and your responses.

For your feedback to be included in our evaluation, please complete and submit the survey as soon as possible. If you have any questions about this evaluation, or if you have any difficulties logging in, please feel free to contact us at 1-xxx-xxx-xxxx or xxxxxxxxxxxxxxxxx

Thank you in advance for your participation.

Sincerely,
The USCIS Study of E-Verify Employers Team at Westat
