Student ID :	
	(Label provided by Survey Firm)
you. Please follow participation in school. Your ans project will see to questions. Your you can ask them	o ask you some questions about yourself and your school. We are going to read all questions aloud to we along in your booklet. You do not have to answer any question you do not want to answer. Your a this survey is completely voluntary, but your answers will be very helpful for improving your wers will be kept private and the surveys will be kept in a safe place; only researchers working on this them. Teachers, parents, and others in your community will not have access to your responses to the parents have also agreed that it is okay for you to answer these questions. If you have any questions, in now, or afterwards. We will give you the phone number of someone at MDRC that you can call.
y g	
	: Student Signature write your name inside this form or the answer sheet. Do not identify yourself in any other way d fill in circles with a pencil or blue/black ink pen. Mark only one answer for each question.

Once you have answered all of the questions, please close the booklet and wait for the person assisting with this study to collect it from you. If you have any questions during the survey, please raise your hand.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is #1850-NEW. The time to complete this survey is estimated to average 20 minutes, including time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, application or survey, please write directly to Lauren Angelo, U.S. Department of Education, Institute of Education Sciences, 555 New Jersey Avenue, NW, Suite 502h, Washington, D.C. 20208 or email lauren.angelo@ed.gov.

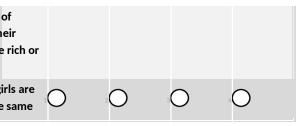

Thank you for taking time to answer these questions!

Thank you for taking the time to complete this survey. Your opinion is very important to us. The information that you provided will be used to improve your school's climate.

There is always an adult at your school who you can talk to about your feelings and the school climate. If you have any questions about the survey, or want to talk with someone about any concerns you might have, please see a counselor or a school psychologist.
