

Please note the following definitions prior to completing the survey:

- *Participant*: an eligible individual enrolled in your project.
- *Teacher of Record (TOR)*: an individual participant under contract by an eligible school district to teach. (As part of their training, many participants have in-field experiences. “Teachers of Record” are those participants who have primary responsibility for classroom instruction.)
- *Retained TOR*: a TOR who has taught for at least three years in a high-need school in an approved high-need LEA.
- *Certified Participant*: a participant who has received the certification required by the State to teach. (That is, the level of certification that is not dependent on being currently enrolled in a TTT or other alternate route program and is transferable across districts.)
- *Paraprofessional*: a participant whom a particular aspect of a professional task is delegated but who is not licensed to practice as a fully qualified professional.
- *Mid-career changer*: a participant who has moved past entry level but is not nearing the end of his or her career.
- *Recent college graduate*: a participant who has received a degree or diploma on completing a course of study, as in a university, college, or school within the last 3-5 years.

Recruitment:

The following questions are intended to gather information about recruiting and enrolling eligible TTT participants to your project.

Please note that you are encouraged to base your responses to questions 2.2, 2.3, and 2.8 on your project evaluation.

2.1 Did you use the following recruitment strategies to attract the individuals who enrolled in your project?

	Yes	No
Advertisements at local schools	<input type="checkbox"/>	<input type="checkbox"/>
Advertisements at universities	<input type="checkbox"/>	<input type="checkbox"/>
Banners/billboards	<input type="checkbox"/>	<input type="checkbox"/>

Other (specify):	<input type="checkbox"/>	<input type="checkbox"/>

2.2 Please rank the top three recruitment strategies that you found to be most effective in attracting the individuals who enrolled in your project.

There will be three pull-down boxes (Top recruitment strategy, #2 recruitment strategy, #3 recruitment strategy) with the following responses:

Advertisements at local schools
Advertisements at universities
Banners/billboards
Collaboration with districts or other partners
Community meetings
E-mail distribution lists or mailing lists

2.3 Please provide the number of enrolled participants who were recruited through each of these top three strategies.

#1 recruitment strategy:
#2 recruitment strategy:
#3 recruitment strategy:

2.4 Please provide your best estimate of the total monetary costs (across the first three years) associated with each of these top three recruitment strategies.

#1 recruitment strategy:
#2 recruitment strategy:
#3 recruitment strategy:

2.5 Please indicate the recruitment strategy that you found to be least effective in attracting individuals to enroll in your project.

There will be one pull-down box with the following responses:

Advertisements at local schools
Advertisements at universities
Banners/billboards
Collaboration with districts or other partners
Community meetings
E-mail distribution lists or mailing lists
Face-to-face events in school districts

Other (specify):

2.6 Does your project provide financial incentives to its participants?

Yes

No (If “no”, respondent can skip the next question).

2.7 The TTT authorizing legislation stipulates that projects can use TTT grant funds to provide “scholarships, stipends, bonuses, and other financial incentives, that are linked to participation in activities that have proven effective in retaining teachers in high-need schools operated by high-need local educational agencies, to all eligible participants, in an amount not to exceed \$5,000 per participant.” Please enter the number of participants that received each of the following types of financial incentives and enter the amount per participant spent on each of the following types of financial incentives.

	Number of participants receiving this incentive	Amount per participant spent on this incentive
Bonuses		
Books and materials		
Computers		
Scholarships		
Stipend allowances		
Tuition and Fees		
Other (specify):		

2.8 Please rank the top three project features that attracted participants to your project.

There will be three pull-down boxes (most important feature, 2nd most important feature, 3rd most important feature) with the following responses:

Ability to have employment and benefits while pursuing licensure/certification

Ability to practice teaching in one school (for paraprofessionals)

Availability of classes in the evening or on the weekend

Availability of online courses

Ease of use

Fast-track program (i.e., shortened time period of the program)

Guarantee of employment during or after completion of program

Incentives provided (e.g., bonuses, scholarships, stipend allowances)

Location of TTT project (e.g., proximity to home)

Receiving support while obtaining a BA (for paraprofessionals)

Support provided to obtain certification (e.g., preparation for teacher assessments)

Support provided while teaching (e.g., induction programs, mentoring, seminars, meetings)

Teaching placement in a high-need school or with an economically disadvantaged student population

TTT project reputation for high quality teacher preparation

Other (specify):

Selection:

The following questions are intended to gather information about the eligibility requirements used to determine candidates' enrollment into your project (includes requisite content knowledge, skills, and commitment to teach in high-need schools in high-need LEAs).

3.1 Rate the importance of each of the following selection criteria in choosing participants for your project according to the scale provided.

	Very Important	Moderately Important	NA/ Not Considered
Competency assessment	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Evidence of commitment to teaching in a high-need district	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

3.3 Did the selection criteria change over the course of the project?

Yes No

If yes, what changes were made?

Why were they made?

3.4a Please provide a brief description of the project's selection process?

3.4b Did the selection process change over the course of the project?

Yes No

If yes, what changes were made?

Why were they made?

Note: The following question will only be included in the surveys administered to the interim projects.

3.5 What changes, if any, will you make in selecting participants in the future, and why?

Preparation:

The following questions are intended to gather information about how your project provides an accelerated route to certification, integrates coursework and field experience, adapts to participants' learning needs, and yields highly qualified teachers that are prepared to teach in high-need schools in high-need LEAs.

Length of preparation program:***4.1 On average, how many months does it take for each participant to become a Teacher of Record once he/she is enrolled into your project?***

Number of months for recent college grads:	
Number of months for mid-career professionals:	
Number of months for paraprofessionals:	

4.2 On average, how many months does it take for a participant to become certified once he/she is enrolled into your project?

4.7b Please briefly describe how your project assesses which activities are most and least important in preparing participants as TORs?

4.8 TIMELINE OF ACTIVITIES

We would like to know the order in which participants' complete activities that prepare him/her for certification eligibility. Please indicate the order in which the activities listed below occurred. For example, if Orientation occurred first and the summer institute/session occurred second, place checks next to them under Activity #1 and #2, respectively. Additionally, you can indicate that certain activities (e.g., Coursework and Participants observe classrooms) occurred at the same time by placing checks next to both activities in the same column. You do not need to use all of the columns if many of your activities occurred simultaneously. Completing a BA will apply only to paraprofessionals, but please indicate where it occurs along the timeline.

4.10 Does your project require its participants to complete a certain number of credit hours to be eligible for certification?

Yes

No

If yes, what is the total number of semester hour credits (units) that a participant in your project needs to complete to be eligible for certification?

Semester hour credits (units):

4.11 Please report the percentage of courses that were offered online and in-person.

Delivery method	Percentage of courses offered
Online	
In-person	

4.12 Please report the percentage of all courses that were offered by your project that were held on weekends, in the evening, and during the summer (the percentages do not have to sum to 100%).

Time of Course	Percentage of courses offered
On weekends	
Directly after school	
In the evening	
During the summer	

Preparation:

Changes to the Preparation Process

4.13 Did the process of preparing TORs change over the course of the project?

Yes

No

If yes, what changes were made? Why were these changes made?

4.14 What changes, if any, will your project make to prepare participants in the future, and why?

Placement:

The following questions are intended to gather information about how your project identifies the needs of eligible partner LEAs and works with these LEAs to hire qualified TORs in high-need schools.

Placement:***LEAs Served***

5.1 Does your grant serve only one district/LEA?

Yes

No

If yes to 5.1:

5.1.a How many participants have been placed in the district/LEA served by your grant?

Number of participants placed:	<input type="text"/>
--------------------------------	----------------------

5.2.a Did your project partner with other organizations other than the LEA in which you placed participants?

Yes

No

If yes, please list the organizations that you partnered with and indicate the role they played in your project's recruitment, selection, preparation, placement, certification, and support/retention activities by checking the boxes in the appropriate columns next to their names:

Partnering organization	Recruitment	Selection	Preparation	Placement	Certification	Support/Retention
1.	<input type="checkbox"/>					
2.	<input type="checkbox"/>					
3.	<input type="checkbox"/>					
4.	<input type="checkbox"/>					
5.	<input type="checkbox"/>					
6.	<input type="checkbox"/>					

7.	<input type="checkbox"/>					
8.	<input type="checkbox"/>					
9.	<input type="checkbox"/>					
10.	<input type="checkbox"/>					

If no to 5.1:

5.2.b FOR YEARS 1-3, list the names of the partner LEAs served by your grant. In addition, next to each name indicate the number of participants that were placed in each LEA.

LEA Name	Number of participants placed
1.	
2.	
3.	
4.	
5.	
6.	
7.	
8.	
9.	
10.	

5.2.c Did your project partner with organizations other than the LEAs in which you placed participants (you listed these LEAs in the previous question)?

Yes

No

If yes, please list the organizations, other than the LEAs listed in the previous question, that you partnered with and indicate the role they played in your project's recruitment, selection, preparation, placement, certification, and support/retention activities by checking the boxes in the appropriate columns next to their names:

Partnering organization	Recruitment	Selection	Preparation	Placement	Certification	Support/ Retention
1.	<input type="checkbox"/>					
2.	<input type="checkbox"/>					
3.	<input type="checkbox"/>					
4.	<input type="checkbox"/>					
5.	<input type="checkbox"/>					
6.	<input type="checkbox"/>					
7.	<input type="checkbox"/>					
8.	<input type="checkbox"/>					
9.	<input type="checkbox"/>					
10.	<input type="checkbox"/>					

Placement:

Total Number of TORs Placed by Grade/School Level

5.3 FOR YEARS 1-3, indicate the total number of TORs placed in all your partner LEAs by grade/school level.

Grade/school level	Number of TORs placed
Elementary (PreK-5)	
Middle (6-8)	
High (9-12)	

Placement:***Total Number of TORs Placed by Subject Area***

5.4 FOR YEARS 1-3, indicate the total number of TORs placed in all your partner LEAs by subject area.

Subject Area	Number of TORs placed
Elementary Education	
English, Reading or Language Arts	
ESL/Bilingual	
Fine Arts (music, art and speech/theatre)	
Foreign Language	
History, Government, Economics, and Geography	
Mathematics	
Science	
Special Education	
Other (specify):	

Placement:***Difficulties Encountered***

5.5 How much did the following factors contribute to difficulties that you encountered placing participants?

Factor	Contributed greatly to difficulties	Contributed somewhat to difficulties	Did not contribute to difficulties
Competition from traditionally trained teachers	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
District budget cuts	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of available positions	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of confidence in alternatively trained teachers	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of eligible schools	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Locations of the eligible schools	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Retention:

The following questions are intended to gather information about how your project retained its participants.

7.1 Please rank the three project features that are most effective in retaining participants in your program.

There will be three pull-down boxes (Most effective feature, second most effective feature, third most effective feature) with the following responses:

Guarantee of employment during or after completion of program
Incentives provided (e.g., bonuses, scholarships, stipend allowances)
Location of the TTT project (e.g., proximity to home)
Method and delivery of preparation (e.g., online or evening coursework)
Support provided to obtain certification (e.g., preparation for teacher assessments)
Support provided while teaching (e.g., induction programs, mentoring, professional development seminars, meetings)
Teaching placement in a high-need school or with an economically disadvantaged student population
TTT project reputation for high quality teacher preparation
Other (specify):

7.2 Which of the following reasons are most often given by TTT participants for not completing their teaching assignments and leaving the TTT project? Please rank the top three reasons that participants give.

There will be three pull-down boxes (Top reason for leaving, #2 reason for leaving, #3 reason for leaving) with the following responses:

Administration related issues
Colleague related issues
Issues with parent/teacher relationships
Lack of opportunity for advancement
Lack of prestige
Low salary
Physical conditions of the school building
Professional development issues (e.g., lack of time or opportunities)
Student related issues
Support systems (e.g., lack of support from colleagues or outside networks)
Working conditions (e.g., too many non-teaching duties)
