Code of Conduct

Sales of services and commercial messages are not appropriate during any Residential Network meeting, call, or on any forum, discussion list, or online area. The signatory acknowledges that the U.S. Department of Energy and Better Buildings Residential Network names or likeness may not be used in any way that implies endorsement of a private company, service, or product. The Better Buildings Residential Network name may be used to reference an entity's membership (e.g., within a newsletter, on a website). The Better Buildings Residential Network does not have a logo.

As an authorized representative of this organization, I agree that the organization will:

- ▶ Assign an organizational representative as the primary point of contact for the Residential Network
- ▶ Invite all relevant members of the organization to participate in Residential Network peer groups of interest
- ▶ Share the organization's successes with other members of the Residential Network
- ▶ Abide by the Code of Conduct
- ▶ Provide DOE with an annual update of the organization's residential energy upgrades and information about the benefits associated with those upgrades *

Primary Contact _____ **Date** _____

As the Residential Network convener, DOE agrees to provide the following benefits to organization members:

- ▶ Access to DOE and trusted third-party information and technical resources related to residential energy efficiency
- ▶ Residential building energy efficiency data, tools, templates, resources, and proven solutions
- ▶ Lessons learned to support and strengthen Residential Network member programs and efforts
- ▶ Peer groups in areas such as financing, data and evaluation, program sustainability, moderate/low-income markets, driving demand, workforce/business partners, and others that members would find helpful
- ▶ Coordination and collaboration with Residential Network members to create new resources to help them overcome implementation challenges
- ▶ Opportunities for shared, voluntary program benchmarking for comparing efforts and progress
- ▶ Opportunities to be publicly recognized in case studies, communications, and online media

Learn more and join by contacting Jonathan Cohen at 202-287-1820, or email bbresidentialnetwork@ee.doe.gov.

*Home Performance with ENERGY STAR Sponsors meet this obligation through their existing sponsorship agreement.
