Gasoline Sulfur Batch Report

Report Form ID: GSF0400

Use Overhead ID: OH-GSF01

Issue Date: January 25, 2001

Revised: December 9, 2004

A separate batch report must be submitted for each batch of gasoline produced or imported during the averaging period.

Batches reported under the RFG & Anti-Dumping Program do not need to be reported on this form; except in the case of composite samples of conventional gasoline representing multiple batches produced after December 31, 2003. In this case, the information in this report must be provided for each of the individual batches of conventional gasoline making up the composite sample. (Per 40 CFR 80.370 (a)(7))

Approved Foreign Refiners producing credits must report individual batch information on this form.

Paperwork Reduction Act Statement

The public reporting and recordkeeping burden for this collection of information is estimated to average 30 minutes per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
