Annual Report Instructions

Gasoline Sulfur and Benzene Batch Report
Report Form ID: GSF0401

OMB Control No. 2060-0437
Expires 05-31-2017

A separate batch report must be submitted for each batch of gasoline produced or imported during the averaging period.

Batches reported under the RFG & Anti-Dumping Program do not need to be reported on this form; except in the case of composite samples of conventional gasoline representing multiple batches produced after December 31, 2003. In this case, the information in this report must be provided for each of the individual batches of conventional gasoline making up the composite sample. The form may be used to meet the per batch reporting requirements for the Tier 2 Gasoline Sulfur program (Per 40 CFR 80.370 (a) (7)) and/or the MSAT2 Benzene program (per 40 CFR 80.1354 (b)(1)).

Approved Foreign Refiners producing credits must report individual batch information on this form.

Reports using this form must be submitted annually by February 28th.

Please check the Fuels Reporting Forms web site for updated instructions and report form templates:

Paperwork Reduction Act Statement

The public reporting and recordkeeping burden for this collection of information is estimated to average 30 minutes per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.
