

National Summer Transportation Institute Survey FY 2016

Host Site Information (Accredited Colleges and/or Universities)

This data collection instrument is used to capture information about the NSTI program to determine if improvements are needed. Please complete this survey no later than c.o.b. October 17th. The link will be closed after the deadline. If you have any problems using this instrument, please contact Joyce Gottlieb at joyce.gottlieb@dot.gov. If you have any questions about the NSTI Program, please contact your State Transportation Agency. Thank you.

This collection of information is voluntary, and will be used to capture information about the Federal Highway Administration's program and determine if improvements are needed. Public reporting burden is estimated to average 30 minutes per response, including the time for reviewing instructions searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2125-0628. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Michael Howell, Information Collection Clearance Officer, Michael.howell@dot.gov, 202 366-5707, Federal Highway Administration, E66-433, 1200 New Jersey Avenue, SE, Washington, DC 20590.
