

**INFORMATION COLLECTION  
SUPPORTING JUSTIFICATION  
Inspection Standards for Steam Locomotives  
OMB No. 2130-0505**

FRA is submitting this document because the agency information collection officer made a math mistake in the previously approved submission when adding up the total burden for recordkeeping associated with Part 230. The correct burden total for recordkeeping is 6,163 hours and not the 6,164 hours previously listed.
