

## Testing Clarity and Comprehensibility: MY NASA DATA Website Basic User Survey

As a current or past user of the MY NASA DATA learning resources, you've been selected to take part in a brief questionnaire to test a future survey for clarity and comprehensibility of the questions and website navigation. We also want to validate the estimate for how long it takes to complete this survey. Therefore, we ask that you please note the time that you start this survey because we will ask at the end how long it took to complete this survey.

Thank you for your cooperation and participation! Please proceed to the test survey on the next page.

## Testing Clarity and Comprehensibility: MY NASA DATA Website Basic User Survey

### MY NASA DATA Website Basic User Survey

Thanks for visiting the MY NASA DATA website. You've been selected to take part in a very brief questionnaire which includes questions about your experiences with the MY NASA DATA website. Please take a minute or two to share your feedback.

Your feedback will be kept strictly confidential and will be used to improve the services provided by the MY NASA DATA team. Any contact information provided will only be used by the MY NASA DATA team to share information with our users.

Click "Continue" to proceed to the survey.

# Testing Clarity and Comprehensibility: MY NASA DATA Website Basic User Survey

## Basic Information

Is this the first time you have visited the MY NASA DATA website?

- Yes
- No

On a scale of 1 to 10, where 1 = "Extremely Dissatisfied" and 10 = "Extremely Satisfied," what is your overall level of satisfaction with your experiencing using the MY NASA DATA website?

1 2 3 4 5 6 7 8 9 10

Extremely Dissatisfied            Extremely Satisfied

Tell us a bit about yourself, so we can understand who is using MY NASA DATA. Which best describes you?

Select the one option that fits best, or specify "Other."

- Student – College/University or Professional School
- Pre-Service Educator (teacher trainee in an undergraduate or graduate program)
- Educator – Elementary School
- Educator – Middle School/Junior High
- Educator – High School
- Educator - Homeschool
- Educator – College/University
- Educator – Informal (museum, park interpreter, etc.)
- Parent
- General public
- Scientist
- NASA employee
- Other (you'll be able to specify on the next page).

The answer to the previous question will determine what users see next, using built-in skip logic.

EDUCATORS will go to page 3, a question aimed at educators.

STUDENTS (college/university or professional school students) will go to page 4, a question aimed at students.

Parents & members of the public will go to page 5.

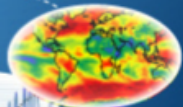

Scientists and NASA employees will go to page 6.

OTHER users will go to page 7, will have the opportunity to change their answer, and will be given an opportunity to describe their use of MY NASA DATA.

Each respondent sees only one of these pages.

## Educators

**You identified yourself as an educator. In which of the following ways have you used MY NASA DATA's website, reference materials, and/or learning materials?**

Please check ALL that apply.

- I've visited the MY NASA DATA website, but have not made use of reference or learning materials.
- I've used MY NASA DATA resources in a classroom with students.
- I've used MY NASA DATA to design or write a lesson plan.
- I've assigned MY NASA DATA exercises, assignments, or projects for students to complete outside the classroom.
- I've used MY NASA DATA resources with science fair students.
- I've used MY NASA DATA resources in an after school or out-of-school-time activity with youth/students (like Scouts or Science Olympiad).
- I've used MY NASA DATA resources with the public or other audiences in an informal learning environment.
- I've used MY NASA DATA resources to explore NASA science and/or data sets on my own, outside of my practice as an educator.
- I've used MY NASA DATA resources to carry out scientific investigations on my own, outside my practice as an educator.
- I've used MY NASA DATA resources to learn more about Earth science on my own, outside my practice as an educator.

## College/University/Professional School Students

You identified yourself as a college/university or professional school student. In which of the following ways have you used MY NASA DATA's website, reference materials, and/or learning materials?

Please check ALL that apply.

- I've visited the MY NASA DATA website, but have not made use of reference or learning materials.
- My teacher used MY NASA DATA in our classroom.
- My teacher assigned a task or project using MY NASA DATA for me to complete outside of school or as homework.
- I've used MY NASA DATA in an after school activity or club (like Scouting or Science Olympiad).
- I've used MY NASA DATA as part of a science fair project.
- I've used MY NASA DATA resources to explore NASA science and/or data sets on my own, outside of school.
- I've used MY NASA DATA resources to carry out scientific investigations on my own, outside of school.
- I've used MY NASA DATA resources to learn more about Earth science on my own, outside of school.

## End of Test Survey

Please provide the following feedback on your experience:

1. How many minutes did it take you to read the instructions and answer the questions?

Please indicate the level to which you agree or disagree with each statement using a scale of 1 - 4 with 1 = Strongly disagree and 4 = Strongly agree.

	Strongly Disagree	Tend to Disagree	Tend to Agree	Strongly Agree
2. The survey instructions were clear.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
3. The questions were easy to understand.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
4. The website was easy to navigate.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

5. Do you have any additional comments or feedback on the instructions, questions, or navigation?

## Thank you for participating!

Paperwork Reduction Act Statement: This information collection meets the requirements of 44 U.S.C. §3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 2700-0153 and expires 07/31/2017. We estimate that it will take less than 3 minutes to read the instructions, gather the facts, and answer the questions. Send only comments relating to this time estimate to: [hq-ocidadmin1@mail.nasa.gov](mailto:hq-ocidadmin1@mail.nasa.gov).
