

SUPPORTING STATEMENT
Selective Service System Record Request, NA Form 13172
OMB Control No. 3095-0071

1. **Circumstances Making the Collection of Information Necessary.** The National Archives - Saint Louis has accessioned of the Selective Service System (SSS) Classification Ledgers and Registration Cards for registrants born before January 1, 1960. The NA Form 13172 may be used to request these public records.
2. **Purpose and Use of the Information.** The information on NA Form 13172 is limited to only the items required to locate the requested record and to provide a response.
3. **Use of Information Technology and Burden Reduction.** The requester may more efficiently find the requirements and submit a request because the NA Form 13172 is available online from NARA (<http://www.archives.gov/st-louis/archival-programs/other-records/na-13172.pdf>) and from SSS (<https://www.sss.gov/PDFs/Record%20Request.pdf>).
4. **Efforts to Identify Duplication and Use of Similar Information.** N/A
5. **Impact on Small Businesses or Other Small Entities.** N/A
6. **Consequences of Collecting the Information Less Frequently.** The information collection cannot be conducted less frequently because requesters determine when they want to request information.
7. **Special Circumstances Relating to the Guidelines of 5 CFR 1320.5.** This information collection will comply with 5 CFR 1320.5.
8. **Comments in Response to the Federal Register Notice and Efforts to Consult Outside Agency.** No formal consultations have taken place. NARA published a notice in the *Federal Register* on February 4, 2015 (80 FR 6139) requesting public comment. No comments were received. A second notice will be published in the *Federal Register* (80 FR 22564) when this information collection is submitted to OMB for clearance.
9. **Explanation of Any Payment or Gift to Respondents.** This information collection involves no remuneration to respondents.
10. **Assurance of Confidentiality Provided to Respondents.** Respondent information on the NA Form 13172 is used only for reference service purposes and is not made available to the public.
11. **Justification for Sensitive Questions.** Respondents are asked no questions of a sensitive nature.
12. **Estimates of Hour Burden Including Annualized Hourly Costs.** The hour burden for all individual respondents is as follows:

<i>Form of Request from Respondents</i>	<i>Number of Respondents</i>	<i>Responses per Respondent</i>	<i>Minutes per Response</i>	<i>Annual Hour Burden</i>
NA Form 13172	1500	1	2	50

13. **Estimate of Other Total Annual Cost Burden to Respondents or Recordkeepers.** The estimated time for form completion is based on the expectation that most respondents will be the subject individual (or a close associate) who can provide the required information from memory. The estimate is based on an average of two minutes to complete the NA Form 13172 (using the minimum wage rate of \$7.25 per hour). The estimate is also based on the use of paper forms printed by the requester (as is the case for more than 95% of all requests).

<i>Form of Request from Respondents</i>	<i>Number of Respondents</i>	<i>Minutes per Response</i>	<i>Respondent Cost</i>	<i>Annualized Cost for Hour Burden</i>
NA Form 13172	1500	2	\$.24	\$ 1,230
Additional Costs		form printout	\$.06	
		envelope	\$.03	
		postage	\$.49	
		TOTAL	\$.82	

14. **Annualized Cost to the Federal Government.** When compared to requests submitted in letter form, requests using the NA Form 13172 do not produce any additional reference service costs to the government.
15. **Explanation for Program Changes or Adjustments.** The changes to the form are requested in order to allow for ease of purchase for SSS Registration Cards, Classification Ledgers, or both. The proposed changes to the form include web-accessibility, and a statement prohibiting the inclusion of credit card information in the request. These changes are requested for the benefit of our patrons. Additionally, this was a new information collection request last time and we estimated the number of respondents would be 3,200. We are basing our current estimate of number of respondents lower, at 1,500 this time around based on actual numbers.
16. **Plans for Tabulation and Publication and Project Time Schedule.** The information collection is not used for statistical studies or publications.
17. **Reason(s) Display of OMB Expiration Date is Inappropriate.** The expiration date of the OMB approval will be displayed on the forms.
18. **Exceptions to Certification for Paperwork Reduction Act Submissions.** NARA is not requesting any exceptions to the certification statement identified in Item 19, "Certification for Paperwork Reduction Submissions," of OMB Form 83-I.
