## FROM THE DIRECTOR U.S. CENSUS BUREAU

Thank You

...for participating in the Current Population Survey (CPS). Since 1942, our government has relied on the employment statistics obtained through this labor force survey. Other important statistics on topics, such as income, education, and computer use are also obtained through the CPS. Such information is used to evaluate and plan for our country's social and economic well-being.

Thank you for taking time out of your busy schedule and for your patience in answering the survey's questions.

Sincerely,

John H. Thompson
