DFARS Part 211, Describing Agency Needs and Related Clauses at
DFARS 252.211

As part of a Defense Federal Acquisition Regulation Supplement (DFARS) streamlining effort, DoD requests realigning the DFARS part 211 and part 252 information collection burden for DFARS clause 252.211-7007, Reporting of Government-Furnished Property, as follows by-

a. Removing the information collection burden for DFARS 252.211-7007 from OMB Control No. 0704-0246, DFARS part 245, entitled "Government Property and Related Clauses in DFARS 252, and Related Forms in DFARS 253." OMB Control Number 0704-0246, which expires December 31, 2015, is in the process of being renewed and the 60-day notice and request for comments was published on March 16, 2015. The renewal notice for 0704-0246, in anticipation of the transfer of the part 211 collection to 0704-0398, did not include the burden for the part 211 coverage. The supporting statement for 0704-0246 also documents the removal of DFARS part 211 and clause 252.211-7007 and transfer of that burden to 0704-0398. See the 0704-0246 renewal notice: <http://www.gpo.gov/fdsys/pkg/FR-2015-03-16/pdf/2015-05923.pdf>

b. Adding the information collection burden for DFARS 252.211-7007 to OMB Control Number 0704-0398, entitled "DFARS Part 211, Describing Agency Needs and Related Clauses at DFARS 252.211." OMB Control Number 0704-0398 expires March 31, 2017.

This realignment will ensure that all information collection requirements pertaining to a single DFARS part and any related clauses are grouped together for ease of administration and accountability. There are no forms impacted by this adjustment.

Transfer of the DFARS clause 252.211-7007 burden results in the reduction in burden under OMB Clearance No. 0704-0246 in the amount of 22,000 hours. The table below shows the full number of respondents, burden hours, and associated costs being removed from DFARS Control Number 0704-0246 for the DFARS part 211 burden and added to 0704-0398.
