

Services Sector Council Survey_Winter 2018

The purpose of this questionnaire is to collect information from NIOSH Services Sector Council members to understand preferences and ideas for how to address the NORA Services Sector Research Agenda through information exchange, networking, and dissemination and implementation activities in the upcoming year.

The results from this survey will be used to facilitate a discussion to further refine plans for upcoming Council meetings and activities, resulting in a plan for the Council to move forward with addressing the NORA Services Sector Research Agenda.

Your responses will not be reported in connection with your name or email address or disseminated to the public.

Thank you for your time.
