

## Services Sector Council Survey\_Winter 2018

### Council Activities

3. Please select the **one** information sharing activity for which you would like to see the greatest focus of the Council in the coming year. 

- Members share relevant information such as meetings or conferences, training opportunities, funding sources, community survey data, programs, or updates about their organization's work
- The Council coordinates webinar presentations that are relevant, high quality, and done by a variety of organizations (not just NIOSH)
- The Council helps members keep up to date on information about occupational safety and health in the services sector through activities other than webinars

4. Please describe your ideas or suggestions for how the Council can work on this activity in the coming year.
