Public reporting burden of this collection of information is estimated to average 15 minutes, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0010).

6. The information that I am allowing to be released will only be used for the Birth Defects Study To Evaluate Pregnancy exposureS (BD-STEPS), a research study on the causes of birth defects.

7. I understand that I have a right to withdraw this authorization at any time. If I choose to withdraw this authorization, I must do so in writing, and submit my written request to the medical records department of this facility. I also understand that any information that the researchers collect before I choose to withdraw this approval will be kept by the researchers.

8. I understand that unless withdrawn, this authorization will expire at the end of the Birth Defects Study To Evaluate Pregnancy exposureS (BD-STEPS).

9. I understand that because sensitive information is collected in this study, BD- STEPS received a **Certificate of Confidentiality**. This means that any information that identifies me or my child will be used only for this project. It **cannot be given, used, or disclosed** to anyone else unless I give my written consent.

10. I understand that this disclosure is voluntary. My decision to authorize or not authorize the release of this information will not affect my ability to be treated at the above mentioned facilities.
