

NUREG-0654/FEMA-REP-1, Rev. 1 was issued as a joint FEMA/NRC policy document that provides guidance on the sixteen Planning Standards referenced in FEMA's regulations at 44 CFR 350.5 and the NRC's regulations at 10 CFR part 50. Both agencies use these Planning Standards to evaluate the adequacy of the emergency plans of commercial nuclear power plant owners and operators, and the emergency plans and preparedness of State and local governments within the Emergency Planning Zones surrounding commercial nuclear power plants.

Since the publication of NUREG-0654/FEMA-REP-1, Rev. 1 in 1980, four supplementary documents and one addendum (66 FR 22270, May 3, 2001) have been issued that update and modify specific planning and procedural elements. These documents are available online at <http://www.regulations.gov> (Docket ID FEMA-2012-0026). FEMA and the NRC are considering revising NUREG-0654/FEMA-REP-1, Rev. 1 to address stakeholder interest and the various emergency planning and preparedness lessons learned since its initial publication.

Since the publication of these documents, there have been changes to FEMA and NRC regulations, guidance, policies and advances in technology. FEMA, working with the NRC, is soliciting comments from stakeholders and interested members of the public on the draft document "Criteria for Preparation and Evaluation of Radiological Emergency Response Plans and Preparedness in Support of Nuclear Power Plants," NUREG-0654/FEMA-REP-1, Rev. 2. The document is available online at <http://www.regulations.gov> (Docket ID FEMA-2012-0026).

FEMA and the NRC held two public meetings on August 22, 2012 and September 13, 2012 as well as two public stakeholder engagement sessions held on October 29-31, 2013 and June 25, 2014. The purpose of these public meetings were to: (1) Solicit input from stakeholders and interested members of the public on the scope of future revisions to NUREG-0654/FEMA-REP-1, Rev.1; (2) describe the proposed timeline for the revisions to NUREG-0654/FEMA-REP-1, Rev.1; (3) promote transparency, public participation, and collaboration during the NUREG-0654/FEMA-REP-1, Rev.1 revision process; and (4) allow direct input to the writing teams during the writing process. All of the presentation material and meeting notes are available to review online at <http://www.regulations.gov> (Docket ID FEMA-2012-0026).

Through this Notice, FEMA and NRC are soliciting comments from stakeholders and interested members of the public on the draft document NUREG-0654/FEMA-REP-1, Rev. 2.

FEMA seeks comment on the draft guidance, which is available online at <http://www.regulations.gov> in Docket ID FEMA-2012-0026. Based on the comments received, FEMA may make appropriate revisions to the draft document. FEMA will consider any comments received in the drafting of the final policy. When FEMA issues a final policy, FEMA will publish a notice of availability in the **Federal Register** and make the final policy available at <http://www.regulations.gov>. The final policy will not impose legally binding requirements.

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5828-N-22]

Federal Property Suitable as Facilities to Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the

homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to: Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.
