Dear [NAME]:

There is still time for you to fill out the *OEF/OIF/OND Veterans' Access to Health Services Survey*, a confidential web survey about Veterans' opinions about mental health services provided by the Department of Veterans Affairs (VA). After we receive your completed survey, we will send you \$10 for your participation.

Your help is important. For the survey results to be useful to all Veterans of the Iraq and Afghanistan operations, we need to hear about the experiences and opinions of all Veterans randomly selected to participate in this survey (including you), regardless of whether or not they have used the VA for mental health services.

We urge you to complete the web survey **today** on a computer or smartphone anywhere you can access the Internet. **Just go to the following secure website and enter your Access Code.** The survey should take about 35 minutes to complete.
