

6.3 Reporting

6.3.1 Required Data Collection System - EDMIS

All SBDC's are required to report program data through SBA's data collection system (currently EDMIS). EDMIS serves as a centralized data collection system. While SBDCs may, if they feel the system meets all of their MIS needs, use EDMIS as their primary MIS, they may also choose to maintain existing or complementary systems should they individually require more extensive data collection needs than that of the SBA.

All SBDCs must be fully capable of either manually entering data or uploading batch files to SBA's data collection system (EDMIS). SBDCs are required to upload all data they have collected via the SBA approved data collection tools (Form 641 and Form 888) except as precluded by statute.

PIMS Maintenance:

SBA requires Lead Center SBDCs to maintain their Lead Center and Service Center information in SBA's Partner Identification Management System (PIMS), which interfaces with EDMIS. OSBDC will use PIMS to generate the network listing. The Lead Center SBDC will designate one employee to inform SBA to update PIMS and provide their name, email address and phone number within the proposal. Updates will not be processed unless they are received from the designated employee's email account. The employee will use the email account set up for PIMS at websupport@sba.gov and include "PIMS" in the subject line. The designated employee may be contacted by SBA web support for more information if it is needed.

SBDCs must notify SBA using websupport@sba.gov within 15 days of changes in contact information such as individuals, telephone numbers, fax numbers, e-mail and website addresses for Lead and Service Centers. However, websupport@sba.gov should not be used if your network has centers to be added, closed or assigned a location code. Instead, the designee must contact the appropriate OSBDC Program Manager within 15 days for centers to be added, closed or assigned a location code. Only OSBDC can open, close or update location codes.

In the event of a change in the PIMS designee, the SBDC must alert their SBA District Office and their OSBDC Program Manager within 15 days.

6.3.2 Required SBA Reports

All SBDC recipients must provide the required reports to SBA by the established deadlines. Failure to file timely reports may result in withholding of reimbursements.

The required reports are:

1. SBDC Quarterly Counseling and Training Reports (EDMIS submission)
2. Financial Reports, including SF-425 with required attachments
3. Semi-annual Performance Report
4. Annual Performance Report
5. Economic Impact Data Report
6. Program Income Report (SBA Form 2113) Note: To be submitted with final 424A report.

6.3.2.1 SBDC Quarterly Counseling and Training Reports (EDMIS Submission)

Due: No later than one month plus 5 working days after the close of each quarter.

All data collected from the Form 641 (except as precluded by statute) are to be reported through EDMIS as part of this quarterly reporting requirement. All SBDCs are required to either manually enter data or upload batch files to the EDMIS system. These files must contain complete information for all fields. The EDMIS system stores this client specific information and is capable of generating reports on the data. The data collection tools consist of Form 641 and Form 888 as well as an on-line collection of annual impact data. The 641 is designed to collect client specific data. As such, it is recommended that all fields be as complete as possible. Non-mandatory fields must be completed when data is available, including but not limited to, capital infusion data, job creation and retention data and other economic impact data. Economic Impact data that is collected on the 641 should also be included in the Economic Impact Report in EDMIS. The most current version of approved client definitions is available on www.sba.gov/edmis. Other documentation regarding EDMIS is also available at this site.

6.3.2.2 Financial Reports

1. Federal Financial Report, SF-425

Due: Semi-annual Financial Reports are due no later than 30 days after the close of the second quarter; final financial report is due no later than 90 days after the end of the fiscal or calendar year cycle. New SBDC Lead Centers are required to provide a Financial Report for the first three years of operation within the timeframes stated above. Centers in existence over three years are only required to report semi-annually.

Lead Centers must submit an original Financial Report including Standard Form 425, signed by the authorized representative of the Recipient Organization, to their SBA Project Officer in the SBA District Office. The SBDC Lead Center must also submit the report concurrently to the Grants Management Specialist and Program Manager via email in PDF format in OSBDC at SBA Headquarters. A Recipient's failure to comply with this paragraph in a timely manner can result in delayed processing of payment requests.

The Final Financial Report must include:

The SBDC must report all unliquidated obligations (if any) on Form 425 and obligations must be liquidated no later than 90 days after the end of the budget period. The total amount of unliquidated obligations must include:

- Recipient share - Cash match disbursements and non-cash indirect match.
- Federal share – Federal direct disbursements and indirect claimed as federal reimbursement.

Note: Any documentation the SBDC submits, in addition to what is required, must be cited in the remarks section on Form 425 including what is being submitted and why. Extraneous documentation not cited will be discarded and not included in the official grant file.

2. Financial Status Statement (For Biennial Financial Examinations)

This function of the Financial Examination Unit requires designated networks to complete worksheet “Financial Status Statement” located at [SBDC Forms and Worksheets](#). The Financial Status Statement is due to OSBDC by October 15 for both FY- and CY-funded programs in advance of a biennial financial examination. A recipient’s failure to comply with this paragraph in a timely manner can result in delayed processing of payment requests.

6.3.2.3 Semi-annual Performance Reports

Due: 30 days after the end of the 2nd quarter. The Semi-annual Report **must not exceed 20 pages**. To avoid problem with electronic email size limitation, transmission of electronic reports should not be over 5MB.

The Semi-annual Performance Reports must address the SBDC’s progress towards meeting the major activities, objectives and performance goals from the approved proposal in a brief narrative. It should also include a discussion of issues the SBDC believes may impair its ability to achieve these items by the end of the budget period accompanied with proposed actions for improvement. These Reports must be a summary of the activities, events or achievements in these reporting categories with accompanying management analysis. They must not be a recitation of actual events, center-by-center.

The SBDC must submit an electronic version of the semi-annual Performance Report in Word format to the SBA Project Officer and Program Manager within 30 days after completion of six months operation.

New SBDC Lead Centers that have been in the program less than three full fiscal or calendars year cycles must further submit quarterly progress reports which include the same content outlined for the Semi-annual Performance Reports.

This Report shall not exceed 40 pages in length for programs funded at \$1.5 million or less and 50 pages for all others and must include all attachments and data set forth below and in the Notice of Award.

A complete annual report includes an overall summary of the Network's efforts in delivering core services set forth in the approved proposal as incorporated in the Cooperative Agreement for the full budget period, in the form of a brief narrative description and management analysis. The Annual Report should provide the SBDC's analysis of overall performance measurements achieved as well as an explanation of those objectives or measurements not fully met along with recommendations for improvement. The Report must **not** be a recitation of actual events, center by center. Other elements to be included are:

- A comparison of actual accomplishments to approved plans and performance goals set forth in the approved proposal as incorporated in the Cooperative Agreement.
- A comparison of actual financial expenditures by budget category to the approved budget. Explain any instance where actual costs exceeded budgeted amounts.
- A description of any new resources developed by the SBDC.
- Changes in key personnel, Service Centers and sub-recipients that occurred during the program year.
- Economic impact data (e.g. jobs created and retained, taxes paid, growth in sales and customer satisfaction).

The SBDC must provide an electronic version of the Annual Performance Report to the SBA Project Officer and Program Manager in Word format within 90 days of completion of the budget period. *(Unless otherwise notified by SBA, this Report should be in the same format as the Semi-annual Report and should represent the consolidated effort of the entire SBDC network. Third and fourth quarter information should be included as necessary).*
