We are asking for your cooperation in providing information about your coffee milling operation. Your response will enable our agency to publish a Statewide summary of coffee statistics. Information requested in this survey is used to prepare estimates of selected agricultural commodities. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes in combination with similar reports from other producers. Response is **voluntary**.

Please complete and return this questionnaire by June 21, 2013 in the enclosed envelope which requires no stamp. If you have concerns regarding this survey or are in need of any assistance in completing this form, you may contact Mark Hudson at (808) 973-9588 (Oahu) or toll free at 1 (800) 804-9514. Thank you very much for your cooperation.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0535-0039. The time required to complete this information collection is estimated to average 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Please complete and return by **June 21st**
