E-mail: nass-mt@nass.usda.gov

Please make corrections to name, address and ZIP Code, if necessary.

Funding for this survey is provided by the Montana Wheat and Barley Committee. This information is used in compiling the Montana wheat and barley varieties report. Listed on this questionnaire are the wheat and barley varieties commonly grown in Montana. Please enter, for the farm you operate, the acreage of each variety seeded or to be seeded for all purposes, whether for grain, hay, pasture, cover crop, plowed under, etc.

The information you provide will be used for statistical purposes only. In accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107–347 and other applicable Federal laws, your responses will be kept confidential and will not be disclosed in identifiable form to anyone other than employees or agents. By law, every employee and agent has taken an oath and is subject to a jail term, a fine, or both if he or she willfully discloses ANY identifiable information about you or your operation. Response is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number is 0535-0002. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Please Report Acres Seeded for All Purposes – 20XX Crop Year
