In a Black or Blue Pen (no pencils or red pens please), list the following for all vessels or pesons that unloaded HMS products: Date Landed; Vessel Name; Documentation Number (preferred) or State Registration number; and the Port and State (using 2-letter postal abbreviation). For those vessels that landed with shark products, please indicate if all sharks landed had fins attached (Y), if not all fins were attached (N), or if the status was unknown (U). Otherwise (vessels without shark products), leave this blank.

Public reporting burden for this information collection is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and reviewing the completed collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Highly Migratory Species Division, National Marine Fisheries Service, F/SF1, 1315 East West Highway, Silver Spring, MD 20910.

Providing the requested information on the dealer form is mandatory and necessary for managing the Atlantic highly migratory species fisheries in accordance with the Atlantic Tunas Convention Act (16 U.S.C. 971 et seq.) and the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 et seq.). In accordance with NOAA Administrative Order 216-100, it is agency policy not to release confidential fisheries statistics, other than in aggregate form. Notwithstanding any other provision of the law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.
