

Focus Group Questions

Each question would begin a group discussion that concludes with ranking the items the group provides.

What are your top 3 positive features for filing with the current system?

What are your top 3 pain points for filing with the current system?

What are the top 3 features and/or enhancements you'd like to see in the future?

The United States Patent and Trademark Office (USPTO) is conducting this focus group to gather feedback on the PTAB End-to-End system. This focus group is strictly voluntary, includes 3 questions and should take approximately 2 hours to complete. This information collection contains requirements subject to the Paperwork Reduction Act (PRA). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subject to penalty for failure to comply with, a collection of information subject to the requirements of the PRA, unless that collection of information displays a currently valid OMB control number.
