

## HV-ImpACT Annual Survey

**Public Burden Statement:** An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is 0915-0212. Public reporting burden for this collection of information is estimated to average .08 hours per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857.

1. HV-ImpACT is conducting a satisfaction survey to gather information about your experiences with the technical assistance received over the past 12 months. HV-ImpACT will not penalize or reward you based on your responses to this survey. It will take you approximately 3-5 minutes to complete the survey.

The information you provide will help us make improvements to future technical assistance activities. Your responses to the survey are strictly confidential. Your individual responses will not be reported.

Completing the survey is voluntary. If you have questions about this project, please contact Emma McAuley at [emcauley@edc.org](mailto:emcauley@edc.org). We sincerely appreciate your time and willingness to participate.
