

CDC Work@Health® Advance Technical Assistance Survey

Form Approved
OMB No. 0920-XXXX
Exp. Date: XX-XX-XXXX

Public reporting of this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

INTRODUCTION

This online survey asks about your participation in and your opinions about Work@Health® Advance Technical Assistance. You are asked to complete the survey because of your participation in the Work@Health® Program. This project is funded by the Centers for Disease Control and Prevention. Many parts of this project are being managed by the ASHLIN Management Group (ASHLIN). ASHLIN is a private sector consulting firm with a focus in the area of health and human services based in Greenbelt, MD. They are helping CDC implement the Work@Health® program. The Public Health Management Corporation (PHMC), a non-profit, public health institute located in Philadelphia, PA is conducting this survey. They are helping CDC evaluate the Work@Health® program.

INFORMED CONSENT

Before you get started, we'd like to give you some more information to help you decide whether you would like to participate.

- Your participation in this survey is voluntary. In the course of this survey, you may refuse to answer specific questions. You may also choose to end the survey at any time.
- The survey is designed to take about 20 minutes.
- All of the comments you provide will be maintained in a secure manner. We will not disclose your responses or anything about you unless we are compelled by law. Your responses will be combined with other information we receive and reported in the aggregate as feedback

from the group. In our project reports, your name will not be linked to the comments you provide in this survey.

- There are no right or wrong answers or ideas—we want to hear about YOUR experiences and opinions.
- CDC is authorized to collect information for this project under the Public Health Services Act.
- There are no risks or benefits to you personally for participating in this survey.
- We are interested in your comments so that we can improve the Work@Health® program for future participants. Please feel free to contact Dr. Jennifer Lauby at PHMC. Her phone number is 215-985-2556 and her email is Jennifer@phmc.org

We are asking you to complete this survey as part of your participation in the Work@Health® Program.

Your responses will help us to assess the effectiveness of the technical assistance (TA) support services that were available to all Work@Health® Advance participants. Your feedback will help us to improve the future TA.

In this survey, technical assistance refers to all Work@Health® Advance TA and includes online, telephone, and in-person support services and resources that were delivered after you completed all of the phases for the Work@Health® Program.

Training Participation ID: *

Which of the following statements best describes your overall level of participation in Work@Health® Advance Technical Assistance (TA) support services?

- I participated in more TA support services than were required *and was able to participate in as many TA support services as I wanted.*
- I participated in more TA support services than were required, *but was unable to participate in as many as I would have liked.*
- I participated in only the TA support services that were required.
- I participated in a few TA support services, but fewer than that required.
- I did not participate in any TA support services.

What were the main reason(s) that you did not participate in more TA support services? (check all that apply)

- Lack of time
- Webinars did not work with my schedule
- TA support services/topics did not meet my needs
- Not sure how to access TA support services
- The amount of TA I received was sufficient for my needs
- Other (please specify)

What TA support services would have been useful to you in preparing to apply for accreditation for your worksite health program?
