

# Participants Wanted for Research Study

The National Center for Health Statistics is looking for persons aged 18 or over to answer a variety of employment and health related questions. Anyone is eligible to participate, but we are especially interested in talking with people [who have/who have an adult in the household who has] learning disabilities, depression or anxiety, mobility issues, and individuals over the age of 65. The interview will be no longer than 60 minutes and participants will receive \$40.

**FOR MORE INFORMATION,  
call [Fill Name] at: 301-XXX-XXXX**
