

Terms of Clearance

1. NCHS will examine whether it is feasible to include four opinion items (i.e. those posed in the FR for public comment) in the cognitive interview.
2. NCHS will discuss with OMB how materials shown to respondents regarding race/ethnicity can reflect sensitivity as well as meet the administrative needs of NCHS.
3. NCHS will, throughout the course of data collection, periodically report to OMB the status of recruitment, particularly the breakdown of race/ethnicity groups.
