YOU'RE A LEADER IN YOUR COMMUNITY

And we're sorry we missed you to talk about why your leadership is needed.

The National Health and Nutrition Examination Survey (NHANES) is in your area interviewing potential participants in this year's survey. NHANES is part of the Centers for Disease Control and Prevention who has worked for more than 70 years 24/7 to find ways to protect your health.

Top reasons people like you participate:

Be part of an elite group.

Only a small percentage of the population is chosen to participate. A unique experience that will provide great stories to share at your next party or cook out.

High quality medical tests for free.

Osteoporosis test, hearing exam, blood tests for environmental intoxicants like pesticides and other carcinogens.

Continue a tradition in your community.

The confidential data helps CDC determine health threats in your area and how to keep the community safe.

A Token of Appreciation for Your Time.

Each member of your household who participates gets a token of appreciation of up to \$125 that can go towards a cause important to you.

Your participation and the data you share is COMPLETELY CONFIDENTIAL. NHANES has a 50 year track record on keeping your information secure.

To schedule an interviewer to come by and talk to you about participating, call XXX-XXX-XXXX or go online to www.url.com.

If you would like more information about NHANES or to see video testimonials about the experience, visit: www.url.com.

YOUR COMMUNITY DEPENDS ON YOU.

Thank you for your support.
