

Guide CLSI and the CDC

CLINICAL AND
LABORATORY
STANDARDS
INSTITUTE®

Help guide CLSI and the CDC in their efforts to improve the dissemination and implementation of laboratory practice guidelines! Your participation in this survey can improve the quality of care provided to all patients in any health care setting.

The mark 'CDC' is owned by the US Dept. of Health and Human Services and is used with permission. Use of this logo is not an endorsement by HHS or CDC of any particular product, service, or enterprise.

Participation in this study is voluntary and responses will be anonymous. CLSI will collect and analyze the data and share with CDC.

Who is conducting this study and why?

CLSI and the Centers for Disease Control and Prevention (CDC) are conducting this study to improve the impact of LPGs on health care.

How can I access the survey and what is the deadline?

Access the survey at: **SURVEY_URL**. It will be available until **mo/da/yr**.

How long will this take?

The survey should take **15 minutes or less** to complete.

Will my survey responses be kept confidential?

All answers will remain completely anonymous.

What will I get for completing the survey?

You will receive a link for a **FREE single electronic copy** of a CLSI point-of-care testing document—a **\$130 value!**
