

## HIMC (FRONT)

### MEDICARE OPTIONS

- “Original” Medicare, *or*
- “Medicare Advantage” (MA) plan

### OTHER PUBLIC PLAN OPTIONS

- Medicaid
- Public plan other than Medicaid
- TRICARE/TRICARE for Life

### MEDICARE PRESCRIPTION DRUG PLAN OPTIONS

- “Stand-alone” plan (PDP) with Original Medicare, *or*
- Medicare Advantage Prescription Drug Plan (MA-PD)

### PRIVATE SUPPLEMENTAL INSURANCE OPTIONS

- Purchase directly from an insurance company
- Purchase through an employer, union, or other group, such as AARP

## HIMC (BACK)

### Original Medicare

- You have your choice of doctors and hospitals.
- Generally, you or your supplemental coverage pay deductibles and coinsurance.
- If you want drug coverage, you must join a ***stand-alone Medicare prescription drug plan*** – a separate policy just for drugs.
- You can buy a ***Medigap plan***, which can help pay expenses not covered by Medicare.

### Medicaid

- Public health care plan that helps make Medicare affordable for beneficiaries with low incomes and modest assets.
- Medicare beneficiaries who are also enrolled in Medicaid are referred to as ***“dual eligibles.”***
- May be automatically enrolled in a Medicare prescription drug plan and be eligible for a ***low-income subsidy*** or ***“extra help.”***

### Medicare Advantage (HMOs, PPOs, PFFS)

- May either require you to see medical providers in their ***network*** or let you choose and pay more of the costs.
- You usually pay a ***copay*** or coinsurance for covered services.
- Many plans include drug coverage. This will give you all of your coverage in one plan.
- A Medigap plan is generally not needed or available.

### TRICARE/TRICARE For Life

- Health care plan for active-duty service members, retirees, and their families.
- TRICARE generally pays the fees left outstanding after Medicare has made their payment.
- Not required to join a Medicare prescription drug plan. If you join a Medicare Advantage Plan with prescription drug coverage, TRICARE won't pay for medicines.

### Public plans other than Medicaid

- Include state, county, or city-based programs such as a pharmacy program, where the local government provides discounts for the cost of prescribed medicines.
- Insurance comes from a ***public source*** other than Medicare or Medicaid.

**THIS CARD DOES NOT GUARANTEE ELIGIBILITY OR PAYMENT FOR SERVICES**

**Providers:** You need to verify eligibility status of the cardholder before providing services. You can get current eligibility status by calling our Eligibility Verification System (EVS) at 1-800-338-7752 (in the Des Moines area 323-9639) or at our website: <https://iamedicaid.com/verifyeligibility/verifydisplay.do>

**You do not have to pay medical bills that Medicaid should pay. You should make sure your provider has all of your insurance information in order to submit a claim.**

Call Iowa Medicaid Enterprise Member Services at 1-800-338-6366 (Des Moines area, call 725-1003) if:

- You have lost your card.
- You get a bill from a doctor, hospital or other medical provider, unless it is for a co-payment.
- You can't get medical services because Medicaid did not pay another bill.

You will get a letter within 30 days that tells you if Medicaid will pay the bill. If Medicaid does not pay the bill, you have the right to file an appeal.

The Iowa Medicaid Enterprise (IME) does not need your permission to:

- Recover medical payments made on your behalf, or
- Make a claim against another person or company that may be responsible for paying the cost of your medical expense

Your help is appreciated. You will get documents that show what medical services have been paid for if you or your attorney asks for them. These documents may also be shared with an attorney or insurance company to prove the amount of the IME's claim.
