YOUR HELP IS NEEDED

The patient shown above has filed for or is receiving Social Security or Supplemental Security Income payments. We need you to complete the back of this form and return it to us in the enclosed envelope to help us decide if we should pay this person directly or if he or she needs a representative payee to handle the funds. Please Note: This determination affects how benefits are paid and has no bearing on disability determinations; SSA will NOT pay for this information. Thank you for your help.

WHO IS A REPRESENTATIVE PAYEE

A representative payee is someone who manages the patient's money to make sure the patient's needs are met. The payee has a strong and continuing interest in the patient's well-being and is usually a family member or close friend.

WHO NEEDS A REPRESENTATIVE PAYEE

Some individuals age 18 and older who have mental or physical impairments are not capable of handling their funds or directing others how to handle them to meet their basic needs, so we select a representative payee to receive their payments. Examples of impairments which may cause incapability are senility, severe brain damage or chronic schizophrenia. However, even though a person may need some assistance with such things as bill paying, etc., does not necessarily mean he/she cannot make decisions concerning basic needs and is incapable of managing his/her own money.
