## SIMPLIFIED INSTRUCTIONS FOR TIMELY OBLIGATION OF FY 2011 LIHEAP FUNDS AND REPORTING FUNDS FOR CARRYOVER AND REALLOTMENT

- 1. Add together the funds you received from HHS in FY 2011 in the form of LIHEAP block grant awards, any emergency contingency funds that may have been awarded in 2011, and any oil overcharge funds designated for use in LIHEAP for FY 2011. You may carry over up to 10% of this total for obligation in FY 2012.
- 2. At least 90% of the total funds available to you in FY 2011, as calculated in Paragraph #1, must be obligated by you for use in LIHEAP no later than September 30, 2011, which is the end of FY 2011. (Please note that this requirement applies to <u>obligation</u> only, <u>not</u> expenditure of funds.)
- 3. No more than 10% of the funds available to you for FY 2011, as calculated in Paragraph #1, may be carried over for obligation in FY 2012. You must obligate these carryover funds for use in LIHEAP no later than September 30, 2012, or they must be returned to HHS.
- 4. FY 2011 funds that are not obligated by you before September 30, 2011, and that exceed 10% of the total as calculated in Paragraph #1, must be returned to HHS, which will reallocate them to LIHEAP grantees in FY 2012.
- 5. Submit a report to HHS on your estimated carryover and reallotment by August 1, 2011. Submit the report on the attached form for submission of the Carryover and Reallotment Report (OMB approval 0970-0106, expiration date X/XX/XXXX). Include a *brief* explanation of why you want to carry over the funds and how you will use them. If you later find that your estimates are not accurate, submit a corrected report as soon as possible. FY 2012 grant awards will not be issued to you until the Carryover and Reallotment Report for FY 2011 is received by HHS.
