

Instructions for Assignment of Federal OCS Pipeline Right-of-Way Grant
(Form BSEE-0149)

1. To ensure legibility, information on the forms must be typed or computer-printed, rather than hand-written. The forms must be filed in triplicate.
2. Enter names of all assignors and the assignee. The company number must be identified next to the name of each assignor and the assignee.
3. When signing, under assignor(s), enter Company name followed by Company Number. Company name must be typed exactly as it appears in qualification files (including case, punctuation, and spacing).
4. The service fee required by 30 CFR 250.125 must accompany the assignment request. The assignment must be filed with the appropriate BSEE OCS office within 90 days after the last party executes the assignment agreement.
5. The assignee must be in good standing with acceptable performance as provided under 30 CFR Part 250.
6. This form may be duplicated by means of word processing software, but any duplicate which differs from the approved form must be deemed to include any omitted language as if it were the original form.

EFFECT OF NOT PROVIDING INFORMATION -- If all required information is not provided, the assignment may not be approved.
