This collection of information is voluntary and will be used to validate the effectiveness of, and assess the value of the National Traffic Incident Management (TIM) Responder Training Program. Public reporting burden is estimated to average 10 minutes per response, including the time for reviewing instructions searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection is 2125-XXXX. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Michael Howell, Michael.howell@dot.gov, 202 366-5707, Federal Highway Administration, 1200 New Jersey Avenue, SE, E66-233, Washington,

National Traffic Incident Management (TIM) Responder Training Program **Train-the-Trainer Course Evaluation Form**
