Job Position*

[1] SEE BELOW

Work Experience In Oil And Gas

Year(s)* y(s)

Month(s)* m(s)

General Event Information

How did you find out about the Near-miss event you are reporting?

Source*

Other

- First-hand Personally Involved (It happened to me)
- First-hand Witness (I saw it happen)
- Second-hand (I heard about it)
- Other

When did the Near-Miss event happen?

I am willing to be contacted for a brief follow-up confidential interview.

Date of Event*

Time of Event*

Timezone*

- Eastern
- Central
- Mountain
- Pacific
- Alaska

Location of Event

Water Depth

ft

Mile to Shore

m(s)

Briefly describe the incident in chronological order. Include what happened, work conditions and any other relevant information.

Description*

Has this kind of near-miss happened before?

Happened Before?*

Yes

No

Don't Know

Please describe

During which operation, did the near-miss event happen?

Operation*

- Rig Operations
- Product Operations
- Pipeline Operations
- Transportation Operations
- Lifting and Hoisting Operations
- Other

Rig Operations

What is the Rig Type?

Rig Type

- Platform
- Jack-up
- Semisubmersible
- Drillship
- Other

What is the Rig Components/Location on Rig?

Components/Location

- Crane
- Crew / Work Boats
- Derrick / Mast (Crown, Monkey/Stabbing Board, A-frame)
- Living / Accommodations
- Mud Pits / Tanks
- Rig Floor (Rotary, Pipe Setback Area)
- Well Control: (BOP) Stack/ Wellhead/Tree Are
- Other

Did the Near-Miss involve Lifting or Hoisting?

Note: If yes, please fill out the lifting and hoisting form on next page.

Lifting and Hoisting?* Yes No Don't Know

Production Operations

What is the Platform/Facility Type?

Platform/Facility Type

- Fixed
- Floating
- FPSO (Floating Production Storage and Offloading Unit)
- MOPU (Mobile Production Unit)
- SPAR Floating Production System
- SEMI (Semisubmersible (Column Stabilized Unit) Floating Production System)
- TLP (Tension Leg Platform)
- Other
- Subsea
- Other

Is the facility Manned or Unmanned?

Manned? Yes No Don't Know

What is the Location on Platform/Facility?

Location

- Crew Quarters/Galley
- Decks
- Well Bay
- Headers
- Production Process Area
- Other

Did the Near-Miss involve Lifting or Hoisting?

Note: If yes, please fill out the lifting and hoisting form on next page.

Lifting and Hoisting?* Yes No Don't Know

Pipeline Operations

Pipeline Identifying Information

Operator Name

Pipeline Diameter

what material was in pipeline?

Material in Pipeline

- Liquid hydrocarbon only
- Gas Only
- Comingled
- Ethylene glycol
- Other Chemicals
- Fuel Supply
- Water
- CO2
- Other

Was the pipeline in H2s service?

H2S Service Yes No Don't Know

Pipeline Activity Equipment

- Environment On sea floor
- On riser
- Splash Zone
- Surface Tie-in
- Subsurface Tie-in
- Other

Did the Near-Miss involve diving or ROV?

Diving involved? Yes No Don't Know

ROV Involved? Yes No Don't Know

Did the Near-Miss involve Lifting or Hoisting?

Note: If yes, please fill out the lifting and hoisting form on next page.

Lifting and Hoisting?* Yes No Don't Know

Transportation Operations

Did the Near-Miss involve a rig?

Rig Involved? Yes No Don't Know

Did the near miss involve a platform?

Platform Involved? Yes No Don't Know

At the time of the near-miss, was the motor vessel/helicopter in radio contact with the facility?

In Radio Contact? Yes No Don't Know

Transportation Mode

Transportation Mode

- Helicopter
- Motor Vessel
- Instrument Flight Rules (IFR)
- Visual Flight Rules (VFR)
- Work Boat
- Crew Boat
- Oil Spill Response Vehicle
- Lift Boat
- Barge
- Fishing Boat
- Other

Event Location

Event Location

- Moored to the facility
- Docking/Undocking to the facility
- Approaching/departing the facility
- In transit to/from shore or in transit between facilities
- Other

Work Activity

Work Activity

- Transporting pipe or other materials
- Transporting passengers
- Servicing the facility (delivering fuel, water, mud, etc)
- Responding to a spill or drill
- Responding to other emergency or drill
- Transiting to/from the facility and shore or transiting between facilities

- Transferring personnel, pipe, or other materials to/from the facility
- Other

Did the Near-Miss involve Lifting or Hoisting?

Note: If yes, please fill out the lifting and hoisting form on next page.

Lifting and Hoisting?* Yes No Don't Know

Lifting And Hoisting Operations

Lifting/Hoisting Activity

Lifting From and To

- Deck-to-Deck on Platform
- Platform or Rig-to-Marine Vessel
- Marine Vessel-to-Platform or Rig
- Vessel-to-Vessel
- Between Rig Floor/VDoor /Well
- Pipe rack to derrick
- Hoisting in derrick
- Between Subsea and Platform or Rig
- Other

Material in Pipeline

- Crane
- Other

Device Location

- Rig
- Platform
- Motor vessel
- Other

Communication Method Used

- Hand Signal/Standard
- Hand Signal/Special
- Radio/VHF
- Relay
- Other

Crane Information

Crane Installation

- Fixed (Permanent)
- Rental Crane (Temporary /Moveable)
- Other

Crane Type

- Mechanical
- Non-mechanical
- Electrical
- Other

Crane Inspection/Maintenance

Equipment Type

- Gin pole
- Jib crane
- Overhead hoist
- Chain fall
- Other

Combination of Devices

Pre-Use Inspection?

 Yes No Don't Know

Last Inspection Date

Load Information

Load Type

- Personal
- Pipe/tubular
- Other

Safety Harness Used?

 Yes No Don't Know

Life Line Used?

 Yes No Don't Know

Other Operations

Please describe the Near-Miss Event as detail as possible.

Description*

[1]:

Job Positions (depending on response to "I work in:")

"I work in": Rig Operations

Barge Engineer/Ballast Control Operator

Catering Personnel, Camp Staff

Cement Equipment Operator

Crane Operator, Forklift Operator

Deck Supervisor, Deck Coordinator

Derrickman

Coil Service Equipment Operator

Driller (Crew Chief, Coil Service Operator)

Driller (Asst Driller)

Floorman

Floorhand (Crew Worker, Coil Service Helper)

Electrician, Electronic Technician

Foam Air Equipment Operator

Heavy Equipment Operators (crane, forklift, excavation)

Maintenance Supervisor

Form No: BTS-0030

Marine Crew
Mechanic
Mechanic, Repair Technician
HSE (Health Safety and Environment Personnel)
Motorman
Motorman / AD (Coil Service Fluid Pump Operator)
Nitrogen Equipment Operator
Radio Operator
Reverse Unit Operator
Roustabout (Leashand)
Special Service Operator
Stimulation Equipment Operator
Superintendent
Tool Dresser
Tool Pusher (Rig Supervisor, Coil Service Supervisor)
Wireline Equipment Operator
Other

"I work in": Product Operations

Production Operator
Mechanic
Electrician
I&E (Instrumentation)
Welder
Crane Operator
Other

"I work in": Pipeline Operations

Pipeline Operator
Scada/Leak detection technician
Production Operator
Mechanic
Electrician
I&E (Instrumentation)
Welder
Crane Operator
Other

"I work in": Lifting and Hoisting Operations

Rig Supervisor
Production Operator
Crane Owner/Representative
Qualified Inspector
Crane Operator
Engineer

Rigger
Signal Person
Vessel Captain or Crew Member
Other

"I work in": Support Services Operations

Cook
Galley hand
Housekeeping
Other

"I work in": Helicopter / Motor Vessel Operations

Helicopter pilot-Co-Pilot
Helicopter passenger
Motor Vessel captain
Motor Vessel crew
Motor Vessel passenger
Other
