

CDBG-DR Expenditure Deadline Waiver Request Template (P.L. 113-2 Grantees Only)

In order to request a waiver of the 24-month expenditure deadline on CDBG-DR funds from HUD, as described in the November 18 *Federal Register* Notice (78 FR 69107), grantees must complete the following template for each DRGR activity for which a waiver is requested. *

HUD has been granted authority to waive specific activity types by OMB. Only activities within the following activity category types are eligible to request a waiver of the 24-month expenditure deadline: housing; economic revitalization; infrastructure; and administration.

*Note: A local activity or program may be reflected in DRGR as more than one activity. An example would be a single family rehabilitation program that will be serve both Urgent Need and Low/Moderate income households. In these instances, both DRGR activities should be submitted using a single template.
