

XXX. NWOS Public Reminder/Thank You Postcard

Dear Land Manager:

About a week ago, a questionnaire was mailed to you asking about land that your agency manages. You were randomly selected from county/municipal property ownership records.

If you have already completed and returned the questionnaire, please accept our sincere thanks. If not, we ask that you please do so today.

Although your participation is voluntary, we are especially grateful for your help because it is only by hearing from people like you that we can better understand the perspectives of those who control most of the woodland resources in the United States.

If you did not receive a questionnaire, or if it was misplaced, please call us toll-free at 1-855-233-3372 and we will send you another one.

A handwritten signature in black ink that reads "Brett J. Butler".
