

NOAA SCHOLARSHIP PROGRAM SURVEY - DEMO

INTRODUCTION TO STUDY

The National Oceanic and Atmospheric Administration's Office of Education is currently conducting an evaluation of two of its scholarship programs: the Educational Partnership Program (EPP) and the Ernest F. Hollings Undergraduate Program (HUSP). One key component of this evaluation is to conduct an online survey of all scholarship recipients. As a scholarship recipient, you can provide valuable insight into the impact of these scholarship programs. This survey will ask about your educational and career choices, as well as your views on how receiving the scholarship may have affected your academic and career pathways.

The survey will take less than 25 minutes. Your responses are very important to ensuring that NOAA's Office of Education successfully meets its long-term goals, and we thank you for your participation.

Paperwork Burden Statement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is XXXX-XXXX. The time required to complete this voluntary survey is estimated at 25 minutes per response for questions 1-31 on the survey, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any comments or concerns about the contents or the status of your individual submission of this questionnaire, email SurveyTechTeam@impaqint.com or call 1-866-775-5450.
