Subject: FwdPUBLIC COMMENT ON FEDERAL REGISTER : no confidence in the death reports you gather - you use them politically and without having full information

I HAVE MANY CONCERNS ABOUT THIS PROPOSAL BEING SELECTIVELY BIASED AND POLITICAL IN NATURE. FAR TOO OFTEN, DEATH IS RECORDED WITH WHAT ON THE SURFACE APPEARS TO BE THE CAUSE BUT IS NOT IN FACT THE TRUE CAUSE OF DEATH. NOBODY DOES AUTOPSIES IN MOST CASES. THIS AGENCY IN PARTICULAR ASSAULTS VERY YOUNG BABIES WITH A WHOLE RETINUE OF MANY MANY DOSES OF VARIOUS VACCINES, WHICH REPRESENTS AN ASSAULT ON A BABY'S BODY, WHICH IS NATURALLY IMMUNE. THE CDC IS PIMPING FOR BIG PHARMA SO THAT THEY SEEM TO GIVE A PASS TO VACCINE DEATHS. I DO NOT BELIEVE THIS AREA OF DEATH HAS BEEN PROPERLY INVESTIGATED BY HONEST PEOPLE WITHOUT AN AGENDA. IF YOU LET BIG PHARMS DO THE INFO, IT WILL BE SKEWED AND BIASED. THIS PROPOSAL IS FLAWED. NO AMERICAN TAX DOLLARS SHOULD BE SPENT ON THIS WITHOUT MUCH FURTHER INVESTIGATION OF EXACTLY WHAT IS PROPOSED TO SPEND AMERICAN TAX DOLLARS ON. ALL OF US WANT UNBIASED HONEST INFORMATION, NOT SKEWED POLITICALLY INFLUENCED INFORMATION. WE CANNOT HAVE SELECTIVE BIAS INVOLVED HERE AND THIS PROPOSAL ALLOWS THAT. THIS COMMENT IS FOR THE PUBLIC RECORD PLEASE RECEIPT. JEAN PUBLIC JEANPUBLIC1@YAHOO.COM
